Important Instructions for intended applicant(s) for filling up and submission of Application Form for allotment of industrial Plot in MET City

Kindly read the entire contents of this booklet containing sale agreements and other related documents carefully and obtain clarification or further information/document(s), if required, before making any payment and submitting any application. It is expected that after having read drafts of all the agreements and relevant documents, you have understood the contents and have agreed to abide by all the terms and conditions contained therein, you have decided to submit the application for allotment of industrial plot ("Plot") in Model Economic Township ("MET City"), licensed industrial colony, being developed by Model Economic Township Limited ("METL") in District Jhajjar, Haryana.

The Applicant (and the co-applicant, as applicable), should fill all requisite particulars and should sign on all pages of this application form (including initials on drafts of various sale agreements and other related documents) before submitting his/her application.

The Applicant may please note that the attached drafts of sale agreements are standard drafts and no request for any change therein will be accepted.

The Applicant shall be required to apply on prescribed format of Application Form (provided hereinafter) along with 10% of the Total Price (i.e., Booking Amount) and submit self-attested photocopies of requisite documents. Any application Form submitted without complete Booking Amount, particulars and requisite documents may be rejected by METL.

Upon acceptance of the application and realization of Booking Amount, a provisional allotment of the Plot opted for by the Applicant will be made in the prescribed format provided hereunder.

Along with provisional allotment letter, the Applicant will be provided with three (3) copies of the draft Agreement for Sale in the prescribed format for execution. The Agreement for Sale must be executed by the Applicant on stamp paper of requisite value and returned to METL within a period of 30 (thirty) days from the date of receipt by the Applicant for signatures of METL representative and registration thereof. Execution and registration of the Agreement for Sale is mandatory before payment of another instalment exceeding 10% Booking Amount as stipulated in the Real Estate (Regulation and Development) Act, 2016 and the Haryana Real Estate (Regulation and Development) Rules, 2017.

METL shall not execute any Agreement for Sale wherein Applicant has made any changes/alterations/modifications. The Applicant agrees and understands that if the Applicant fails to execute and deliver the Agreement for Sale along with all annexures, within 30 (thirty) days from the date of its receipt by the Applicant, then METL shall have the right to cancel the allotment and forfeit ten per cent of the Booking Amount and balance amount will be refunded within a period of 90 days after such cancellation. Further, upon such cancellation, the Applicant shall not have any right, title or interest of whatsoever nature, in the provisional allotment of the industrial plot and METL shall be free to deal with such plot in the manner it likes, including accepting further application(s) and making provisional allotment to a new applicant. The Applicant understands, acknowledges and agrees that METL shall not be required to send any notice/reminders in this regard.

Payment of subsequent instalments after execution of Agreement for Sale shall be made by the Applicant on or before the respective due dates as opted by the Applicant in the payment schedule in Application Form and/or Agreement for Sale. METL shall not be required to send any notice(s) or reminder(s) to the Applicant for such payments. In the event of any delay by the Applicant in making payments as per the payment schedule, the Applicant agrees to pay the installment amount due along with the stipulated interest thereon, up to the date of payment. Applicant may please note that date of receipt of payment by METL shall be the

date when the cheque/draft received from the applicant is credited in the bank account of METL. Therefore, it is in the interest of the applicant to remit all the instalments through RTGS/NEFT to the bank account of METL.

METL reserves the right to request for full identification, financial and other information as it may deem necessary, in relation the Applicant and for the purpose of determining the suitability of industrial unit to be set up by the Applicant in MET, including in compliance of various approvals and sanctions granted to METL by various authorities. METL, at its sole discretion, may reject and refuse to execute the Agreement for Sale if it is found that the Applicant has made any changes / cancellations / alterations / modifications therein and, or it is discovered that the Applicant has submitted wrong/ incorrect particulars/ information or that the Applicant has concealed any material information about itself or its industrial processes.

The Applicant confirms that he/she has read and perused the detailed terms and conditions of Application Form, Provisional Allotment Letter, Agreement for Sale, Sale Deed and all other agreements/ documents provided hereunder and further affirms to have fully understood the same (including the limitations of METL) and the Applicant agrees to comply with the obligations of applicant/ allottee/buyer, as per the conditions stipulated in these documents/ agreements.

UNDERTAKING

I/We, _____, the Applicant/ duly authorized signatory on behalf of the Applicant, do hereby agree and undertake that:

1. I/We understand that Model Economic Township Limited ("**METL**") is developing an industrial colony by the name of Model Economic Township ("**MET City**") on land admeasuring 155.8375 acres approx. ("**Said Land**"), under License No. 138 of 2023 dated 06.07.2023 issued by DTCP, Haryana, situated in the revenue estate of Village Nimana, Tehsil Badli, District Jhajjar, Haryana ("**Licensed Industrial Colony**"), which may further be augmented with further land parcels situated within and adjacent to the boundary of Said Land.
2. The Licensed Industrial Colony is being developed in phases and the current phase comprised of 148.6975 acre area ("**Project**") has been duly registered under the provisions of the Real Estate (Regulation and Development) Act, 2016, Haryana Real Estate (Regulation and Development) Rules, 2017 and regulations made thereunder, as amended from time to time, with Haryana Real Estate Regulatory Authority, Panchkula vide Registration No. HRERA-PKL-JJR-554-2024 dated 05.03.2024.
3. I/we confirm that I/we shall not have any objection whenever METL makes suitable and necessary alterations in the layout plan of Licensed Industrial Colony, if necessary for better planning of the layout of Project and/or MET City or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to Licensed Industrial Colony.
4. We are aware that MET City Project is planned to be developed by METL in accordance with the layout plan sanctioned by the Competent Authority, which may be changed from time to time by the Competent Authority. Further, we have seen, understand and acknowledge that there are other's land parcels situated within and adjacent to the layout plan area, which may be acquired by METL for the purposes of coherent, comprehensive and contiguous development and will thus require revision of the layout plan of the Licensed Industrial Colony subsequent to obtaining license for such additional area. We also acknowledge that METL may also make such additions or alterations as may be required by us, or such changes or alterations as per the provisions of the Act and Rules made thereunder or as per approvals/ instructions/ guidelines/ regulations of the competent authorities. Considering all the above circumstances, we hereby confirm that we shall have no objection if METL makes suitable and necessary alterations in the layout plan of the Project, if necessary for better planning of the layout of the Project and/or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to the Project, de-license of part area, change in the planned road network, common areas, change in the identification number of the Plot, and subject to mutual consent, change in the access, change in location of Plot, dimensions or area of the Plot, etc. Subject to the above, we agree to inform METL or the Competent Authority in writing, our consent or objections to the changes within 30 (thirty) days from the date of intimation of such changes in the

layout plan provided by METL to us failing which we shall be deemed to have given our full consent to such alterations/ modifications.

5. I/we understand and confirm that the Total Price, as stated in the application form, includes conversion, development and zoning of the Plot and cost of infrastructure facilities namely, storm water drain/ sewage water drainage system at battery limits of the Plot, common approach road from SH-15A to the entry gate of the Plot. I/we agree and confirm that METL will endeavour to provide motorable approach road from SH-15 A to the entry gate of the Plot, before commencement of construction by me/us and other infrastructure facilities as mentioned above before commencement of production/ operations of the Allottee on the Plot.
6. I/we am/are aware that at the time of measurement, there may be variation upto $\pm 5\%$ (five percent) in actual area of the Plot. The actual measurement and demarcation of the Plot will be done at site before the execution of the Sale Deed/ delivery of possession and difference in Total Price would be settled accordingly.
7. I/We acknowledge and affirm that the payment of installments is time linked and is not relatable to or subject to, in any manner, completion of different stages of infrastructure development/ implementation of the Project. METL shall not be required to send any demand notice or reminders to me/us for payment of due instalment(s) as set out in the application. Since timely payment of all the installments is the essence of the contract, I/we undertake to pay the instalments on or before the due dates as stipulated in this Application, failing which my allotment of the Plot will be forthwith cancelled and METL shall have the right to forfeit the booking amount.
8. I/we authorize METL to adjust/ appropriate all payments made by me/us under any head(s) of dues against any of my/our outstanding, including but not limited to outstanding interest amount, as per terms of the Agreement For Sale.
9. All delayed payments shall carry interest calculated at SBI MCLR plus 2% (two percent), compounded at quarterly rests.
10. I/We have clearly understood that on receipt of the booking amount, METL will issue me/us provisional allotment letter for the Plot. Such allotment shall become final only after execution and registration of Agreement For Sale.
11. I/We shall establish my/our industrial unit on the Plot as per the details submitted by me/us and shall not deviate from the Purpose as mentioned in Agreement For Sale unless approved by METL in writing.
12. I/We have seen and understood the site and scheme of development, approved layout plans/ licenses/ approvals issued by DTCP, Haryana, Project registration issued by Haryana Real Estate Regulatory Authority, Panchkula, environment clearance approvals/ other approvals and documents. The aforesaid Licenses, approvals and registrations provide for certain compliances and obligations on METL. I/We agree to abide and comply with all such conditions and obligations that are applicable with respect to the Plot allotted to me/us.

13. I/ We confirm that all the information and clarifications as required by me/us have been provided/ made available to my/our satisfaction and I am/ we are fully satisfied with the same and have fully acquainted myself/ourselves of all the particulars of the Project. I/ We hereby confirm that I/ we are signing this Application with full knowledge of all the laws, rules, regulations, notifications, etc., applicable to the Plot, Project and MET.
14. Post development of the all phases of the Licensed Industrial Colony, METL may assist in formation of a single association/ separate associations/ apex body in its Licensed Industrial Colony. I/We undertake to become member of such association formed for the Project.
15. I/ We undertake not to interfere in any manner or create any hindrance/obstruction in the right of way on the common area/road to enable METL to access its other land parcels adjacent to the Project for development. I/ We admit and acknowledge that METL shall always have the absolute right to amalgamate other land parcels to the land subject matter of the Licensed Industrial Colony.
16. I/ We undertake that I/ we shall execute the instrument for transfer of title in the Plot from METL in my/our favour in the form, substance and manner as prescribed by METL and the same shall be registered within the time prescribed. The entire stamp duty and registration fee on such transfer, including any other charges payable thereon, shall be borne entirely by me/us. In case, I fail to execute and register the sale deed within the stipulated time and I am further not able to cure this default within 30 days of receipt of notice in this regard from METL, I confirm and agree to the right of METL to cancel my allotment and refund the amount paid by me, after deduction of all its dues as per terms of Agreement For Sale within 90 days thereafter and METL will be free to allot the plot to another person. I confirm and agree that in such an event, I shall execute and register the cancellation deed of the Agreement For Sale and I case, I am not able to present myself for the purpose, I authorise METL to execute and register the cancellation deed on my behalf.
17. I/We understand and acknowledge that the Total Price for the Plot does not include External Development Charges (“**EDC**”) and such other charges and/or increase thereof, as may be levied by the Government (collectively hereinafter referred to as “**Government Charges**”) from time to time. I/We accordingly agree and undertake to pay to METL, as and when demanded by METL, all such Government Charges in relation to the Plot as applicable, and all increases thereto, as may be levied by the Government from time to time in the same proportion as the area of the Plot bears to the total area of MET, on which such Government Charges have been levied. In the event METL pays any Government Charges for the Plot, I/we hereby agrees and undertakes to make good the aforesaid payments to METL within a period of 30 (thirty) calendar days from the date of the demand by METL failing which the I/we shall pay interest on such delayed payments, at the rate of 15% (fifteen percentage) per annum compounded with quarterly rests. In case METL is required to submit BG to the Government, I/we undertake to give corresponding BG to METL within 15 days of intimation received from METL. METL shall have lien/first charge on the Plot for all unpaid amounts and in the event of any non-

payment/non-compliance, METL will be entitled to exercise and enforce its lien/first charge over the Plot at my/our cost and expense.

18. I/We agree and affirm that a sum equivalent for three quarters of common area maintenance services charges is payable/to be deposited on account of interest free maintenance security deposit (“**IFMSD**”) before the execution of Sale Deed. I/We agree and acknowledge that the said IFMSD amount payable by me/us shall be non-refundable and shall only be entrusted/ transferred by METL to the account of the association of allottees at the time of handing over of the common areas and facilities to the association or the competent authority, as the case may be.
19. I/We understand that METL will provide common area maintenance services and other infrastructure services for all the plot owners in Project/Licensed Industrial Colony on use and pay basis. I/we undertake to execute Common Area Maintenance Services Agreement, Water Supply and Services Agreement and other such agreements and undertake to pay charges fixed by METL from time to time.
20. I/We agree that Possession of the Plot shall be handed over by METL on “as is where is” basis and METL shall not be responsible either for earth filling or levelling of Plot at road level in any manner whatsoever. I/We acknowledge that I/we have applied for the allotment of the Plot after physical examination of the prevailing conditions of the Plot to my/our satisfaction. I/We will obtain possession of the Plot within a period of 30 (thirty) days from the date of offer of possession by METL. I/We agree that if I/we fail to obtain possession of the Plot within the stipulated timelines, then I/we shall be liable to pay to METL applicable maintenance charges for the upkeep and maintenance of the common areas and essential services therein from the date of offer of possession/ conditional offer of possession or commencement of common area maintenance services, whichever is later.
21. I/We have read the specimen of Agreement For Sale, Sale Deed, Common Maintenance Services Agreement, Water Supply and Services Agreement, Development Control and Services Guidelines published by METL and fully understood the form and contents of each of these agreements and documents before signing and submitting this application and undertake to execute the Agreement For Sale before payment of second instalment exceeding 10% of total consideration as well as Sale Deed along with Common Area Maintenance services agreement, Water Supply and Services Agreement and all other documents, as may be prescribed by METL, after making the payment of balance instalments on or before the respective due dates mentioned above and to abide by them.
22. I/We undertake to complete construction of minimum of 25% of the permissible FAR and commence production/commercial operations within a period of 4 (four) years from the date of provisional allotment letter unless extended mutually by METL for a maximum of 2 (two) terms of 1 (one) year each, on payment of extension fee at the rate of Rs.500/- (Rupees Five Hundred only) per square meter with applicable taxes calculated against the area of the Plot for the first year of extension or part thereof and at the rate of Rs.1,000/- (Rupees One Thousand only) per square meter with applicable taxes calculated against the area of the Plot for the second year of extension or part thereof. In case, I/we commit any default in fulfilling our obligations mentioned hereinabove, METL at its sole discretion shall be entitled to call upon me/us to re-convey the Plot in favour of

METL/ its nominee(s) on payment of 80% (eighty per cent) of the Total Price as agreed herein without any interest. I/We shall, without any protest, demur or cavil, pay the requisite stamp duty, registration charges and other incidental costs to be incurred on such re-conveyance.

23. In case, after execution of sale deed, I/we intend to sell, lease, convey, assign and/ or transfer the Plot to any third party, I/we shall take prior written permission of METL subject to payment of transfer fee @ 5% (five percent) of the prevailing price of similar plot as intimated by METL. The transfer fee referred to above shall be payable by me/us only in case I/we have not completed construction of 25% (twenty five percent) of permissible FAR and have failed to commence production/ commercial operations. Such permission shall be granted if all the dues have been paid and the third party transferee agrees to execute all the documents/ agreements that I/we have executed with METL and further undertakes to be bound by and adhere to all the terms and conditions provided therein.
24. I/we have been informed by METL and have understood and satisfied myself/ ourselves about the saleable and non-saleable areas in the Project and which are to be developed & handed over to association of allottees and others which will be constructed, owned and operated by third parties on payment of fee/ charges. I/We have further understand and acknowledge that third party rights will be created by METL in plots/ sites earmarked for various facilities after taking permission from DTCP, on receipt of consideration. Such third parties in whose favour allotment of these sites will be made upon payment of agreed sale consideration, shall alone have exclusive and absolute ownership as well as possessory rights over the same and will develop these plots/sites, raise construction and operate/ manage the same and shall realize revenue therefrom. I/We understand and acknowledge that costs of these plots/ sites earmarked for various facilities have not been accounted for and recovered from any of the allottees of Licensed Industrial Colony including me/us. I/We further acknowledge and confirm that these plots/sites earmarked for various facilities, wherever located/ established, are for common use of all the allottees/ habitants of the Licensed Industrial Colony as well as for outside public. I/We shall not object to the free access of all allottees/ habitants of the Licensed Industrial Colony as well as for outside public to these community facilities.
25. I/We understand and agree that the boundary wall and gate within the Plot, shall have to be constructed as per the design provided by METL. While making an application for obtaining approvals of the building plans for construction on the Plot, I/We shall strictly adhere to and comply with the architecture control guidelines issued by METL (including any amendments thereof) from time to time. I/We also undertake and agree to construct the industrial unit on the Plot strictly in accordance with architecture control guidelines and building plan approved by competent authority(ies) and in accordance with Haryana Building Code, 2017. I/We further undertake and agree that the facade (including the elevation style, themes, material finishes, frame and boundary walls, colour scheme of the outer walls or design etc.) of the building to be constructed on the Plot shall be in accordance with the architecture control guidelines and building plan as may be approved by competent authority. Any default in this regard shall be construed to be violation of terms of allotment and shall entitle METL to initiate appropriate action as contemplated herein.

26. I/We acknowledge and agree that during development of all phases/projects, being developed in the Licensed Industrial Colony, all lines of various services, facilities etc. and common areas will be connected with each other over the entire layout plan area and used by all allottees of all phases in common. I/We further acknowledge and agree that METL will be carrying out extensive development works/ construction activities in subsequent phases over the said Land in future, without affecting the Plot, and I/we hereby confirm that I/we shall not raise any objection(s) or make any claim(s) or default in payment of any instalment on account of any inconvenience, which may be suffered by me/us due to such developmental/ construction activities or incidental/ related activities.
27. I/We undertake that while carrying out construction/development activity, I/we as well as my/our contractor or its worker or agent shall not cause any obstruction or damage or commit any encroachment over the road and the common areas abutting to the Plot. In the event, the road & common area abutting to the Plot is/are obstructed or damaged during the course of construction/development over the Plot, I/we shall alone be liable and responsible for any consequences thereof including but not limited to bear/incur cost of repair of the road and common area to its original condition. I/We undertake that I/we shall not directly or through any contractor or third party impair, deface, vandalise or in any way cause damage or loss to the common areas, service areas, facilities and amenities, pavers, horticulture, etc., constructed or that may be constructed by METL in the Project and the Licensed Industrial Colony, while undertaking any development and construction activity at the Plot. I/We undertake to be liable for any damage, loss suffered by METL on account of activities undertaken by me/us or any person or contractor / third party acting through me/us and shall on demand make good the damage and loss incurred by METL. I/We hereby authorize METL to remove any obstruction/hindrance, encroachment placed/made on the common area, roads, etc. and the cost of removal of such encroachment shall be recovered from me/us.
28. I/We understand and confirm that I/we shall execute three sets of Agreement for Sale along with all annexures and return the same to METL for execution on the part of METL and shall complete registration of Agreement For Sale with the office of Sub-Registrar, within a period of 30 days from the date of receipt thereof from METL. I/We further understand and confirm that in case I/we fail or neglect to execute and register the Agreement For Sale within the aforesaid period, then METL shall have right to cancel the allotment and forfeit ten per cent of the Booking Amount and balance amount will be refunded within a period of 90 days after such cancellation. Upon such cancellation, I/we shall not have any right, title or interest of whatsoever nature, in the provisional allotment of the Plot and METL shall be free to deal with such plot in the manner it likes, including accepting further application(s) and making provisional allotment to a new applicant.
29. I understand and acknowledge that if the whole or any portion of the Plot is ever threatened to be taken away or goes out from my possession on account of any (i) defect in the ownership and title of METL and/ or (ii) encumbrance existing thereon prior to the execution of sale deed, then METL undertakes and agrees to step in and resolve the issue at its own costs, which issue(s) if not resolved within a reasonable time (not exceeding 12 months), subject to court proceedings, if any, then METL shall subject to what is stated herein, be liable to pay to me the proportionate sale consideration paid by me, for the land for which title defect is found, within a period of 60 days thereafter

provided I make such claims within a maximum period of 5 (five) years from the date of execution of sale deed. This indemnity right is sole and exclusive remedy to me for the matter covered above and such rights are for a maximum period of 5 (five) years from date of execution of the sale deed.

30. I understand and acknowledge that provisional allotment is intended for the sale of the Plot with certain infrastructure facilities and other services. In case of any major structural defect in the aforesaid infrastructure facilities and other services of METL as per the sale deed relating to such development, which is causing direct loss to me, is brought to the notice of METL, within a period of 5 (five) years from the date of offer of possession/handover of possession of Plot, it shall be the duty of METL to rectify such structural defects without further charges, within a period of 90 (ninety) days. Provided that METL shall not be liable to any such structural, architectural and other defects induced, directly or indirectly by me or any other person, other than duly authorized by METL, by means of carrying out any changes or works thereon.
31. If for any reason, I/ we intend to withdraw the Application for provisional allotment of the plot before the Provisional Allotment Letter is issued, then the Booking Amount paid by me/us will be refunded by METL within 90 (Ninety) days of submission of my application for such withdrawal without any interest.
32. I/we understand and confirm that the obligation of METL to handover the possession of the Plot and execution of sale deed will be suspended/postponed by the period during which force majeure conditions prevail as ascribed in the Agreement For Sale.
33. I/we agree to be bound by the decision of METL to offer the power load and water requirement as per the plot wise load norms fixed by the Government/METL and in case I/we demand higher load, I/we undertake to pay the additional costs as determined by METL for water and UHBVN for power.
34. I/We agree and acknowledge that this declaration shall be deemed to form part of the Application and the allotment of Plot shall be strictly subject to the terms and conditions agreed herein.
35. All or any disputes arising out or in relation to the terms and conditions of this Application & Undertaking, including the interpretation and validity of the terms thereof and the respective rights and obligations of the Parties, shall be settled amicably by mutual discussion, failing which the same shall be settled through the adjudicating officer appointed under the RERA Act read with the HRERA Rules, as amended up to date.

Declaration:

I/We hereby declare that the above particulars/information given by me/us are true and correct to the best of my/our knowledge and nothing has been concealed therefrom. I/We confirm that in case any of the information given by me/us in this application is incomplete or is found incorrect or false at any stage, METL shall have right to reject this application and/or cancel

the provisional allotment, if done and/or terminate the Agreement For Sale. I/We hereby further confirm and undertake to unconditionally abide by this undertaking.

Provisional Allotment Letter

To,

_____,

Mob. No. _____

Subject: Provisional allotment of industrial plot in Sector 11 of licensed industrial colony, Model Economic Township, being developed by Model Economic Township Limited

Dear Sir/Madam,

1. We acknowledge receipt of your application No.____ dated _____ (“**Application**”) and thank you for the interest shown in establishing your industrial unit in Sector 11 in the licensed industrial colony by the name and style of Model Economic Township (**MET**), being developed by Model Economic Township Limited (“**METL**” or “**Company**”), over 155.8375 acres of the land parcels situated in revenue estate of village Nimana, Tehsil Badli, District Jhajjar, Haryana (“**Licensed Industrial Colony**”), under License No. 138 of 2023 dated 06.07.2023 issued by the Director, Town and Country Planning Department, Govt. of Haryana.
2. Licensed Industrial Colony is being developed in multiple phases and the current phase comprising of 148.6975 acres (“**Project**”) has been duly registered under provisions of the Real Estate (Regulation and Development) Act, 2016 (“**Act**”), the Haryana Real Estate (Regulation and Development) Rules, 2017 (“**Rules**”) and regulations made thereunder, as amended from time to time, with the Haryana Real Estate Regulatory Authority, Panchkula vide Registration No. HRERA-PKL-JJR-554-2024 dated 05.03.2024.
3. This provisional allotment of the plot is being made by METL based on your representations given in the Application and the undertakings so provided therein by you and subject to your acceptance and the fulfilment of the terms and conditions appearing hereinafter.
4. You acknowledge and affirm that you have clearly understood that the Licenses provide for certain compliances and obligations on METL and agree to abide and comply with all such conditions and obligations of the Licenses that are applicable with respect to the Plot allotted to you by METL.
5. You understand, acknowledge and admit that during development of all the phases/projects, to be developed over the said industrial colony, all lines of various services, facilities etc. and common areas, services and facilities will be connected with each other over entire layout plan area and will be used by the allottees of all the phases/projects in common.
6. You undertake to submit the required details of the industrial unit to be established on the Plot on or before the execution of Agreement For Sale and establish your unit as per the details submitted by you and shall not deviate from the Purpose (as defined in Clause 9 below). If the Plot is intended to be put to any other use, in that event you shall seek prior written permission in writing from METL in respect of the contemplated change use. METL may in its discretion permit the change of purpose provided the same is permissible under the aforesaid licenses/applicable statutory provisions. Further, METL may in its discretion impose such conditions as it deems fit and the same shall be binding upon you with full

force and effect. You will implement such change after approval by METL in writing subject to the terms and conditions as prescribed by METL.

7. Pursuant to your Application, we are pleased to make provisional allotment of an industrial plot ("**Plot**") in the Project having following particulars:

- a. Plot No. : _____
 Street No. : _____
 Sector : 11
- b. Area of Plot : _____ square meter
- c. Rate : Rs. _____ per square meter
- d. Total Price : Rs. _____ (Rupees _____ only)

External Development Charges (EDC) Presently not applicable. As and when the EDC rates are notified by the Government and made applicable to the Project, the same shall be payable by allottees.

8. Total Price, as stated above, includes (a) conversion and development of the Said Land with zoning of the Plot; (b) construction of storm water drain at battery limits of the Plot; (c) common approach road (including street lighting) from SH-15 A to the entry gate of the Plot; and (d) construction of sewage water drainage system at the battery limit of the Plot.
9. Out of the Total Price, we have received below mentioned Booking Amount for the above said provisional allotment of the Plot for setting up an industrial unit for manufacturing of _____ ("**Purpose**"), which is approx. 10% of Total Price:

Payment Mode	Bank Name	Instrument No.	Instrument Date	Amount(Rs.)

The Payment Plan for the remaining amount of the Total Price, as opted by you, is as under:

Schedule Description	Percentage	Due Date	Amount (Rs.)
At the time of Booking	10.00	Received	_____
1st Installment	15.00	_____	_____
2nd Installment	25.00	_____	_____
3rd Installment	25.00	_____	_____
4th Installment	25.00	_____	_____
Total Price	100.00	_____	_____

10. You acknowledge and affirm that at the time of measurement, there may be slight variation in actual size of the area of the Plot, which shall not vary beyond $\pm 5\%$ (five percent) of the total area of Plot as mentioned in this letter. The actual measurement and

demarcation of the Plot will be done at site before the execution of the Sale Deed/ delivery of possession. You agree that the variation, if any, in the Total Price on account of difference in area of the plot shall be adjusted in the final instalment of Total Price or set off against any other amount payable to METL.

11. You shall make the payment of the next installment mentioned above on or before the due date and execute and register the Agreement for Sale (copy of the draft attached), within 30 (thirty) days of date of submission of application, unless extended by METL in writing at its sole discretion. In case you do not come forward for execution/registration of Agreement for Sale or for any reason you are incapable of executing the same, in that event, METL shall have right to cancel the present provisional allotment and forfeit ten percent of the Booking Amount and refund the balance amount without any interest within a period of 90 days from the date of cancellation of this provisional allotment.
12. You acknowledge and affirm that METL shall not be required to send any demand notices or reminders to you for payment of due instalment(s) as set out in this provisional allotment letter and you shall make timely payments of the same. You undertake to make the payment of the balance installments on or before due dates as per the Payment Plan mentioned in this Provisional Allotment Letter, failing which interest @ SBI Marginal Cost of Lending Rate (MCLR) + 2% (two per cent) ("**Interest**") per annum shall be payable for delayed payment beyond the due date. In case SBI MCLR is not in use, it shall be replaced by such benchmark lending rates which SBI may fix from time to time for lending to general public. The interest will be compounded on quarterly basis.
13. You acknowledge and affirm that the payment of installments is time linked and is not relatable to or subject to, in any manner completion of different stages of infrastructure development/ implementation of the Project. You undertake to make the payment of the balance amount as per the agreed Payment Plan. Since timely payment of all the installments is the essence of the contract, in the event of your failure to pay the installment in time stipulated herein above after execution of Agreement for Sale, the allotment will be cancelled and the balance amount after forfeiture of Booking Amount in favour of METL will be refunded by METL within 90 (ninety) days of such cancellation without any interest.
14. You understand and acknowledge that METL will be carrying out extensive development works/ construction activities in subsequent phases over the Licensed Industrial Colony in future without affecting the Plot and you hereby acknowledge and confirm that you shall not raise any objections or make any claims or default in any payments as demanded by METL on account of any inconvenience, which may be suffered by you due to such development works/ construction activities or incidental/ related activities.
15. You shall abide by all the undertakings given in the Application submitted by you failing which this provisional allotment shall be cancelled.
16. You understand that METL will not allow any third party making payments or remittances to METL on your behalf except payment of installments to be remitted by the banks/NBFCs which will grant loan/financial assistance to you against the Plot. In case any third party makes direct payment to the bank account of METL in respect of the Plot, he/she/it shall not acquire any right or claim of any nature in this provisional allotment or for that matter in the Plot.
17. You understand that if you apply for a loan to any bank/financial institution, your liability to pay the instalments and other amounts and charges due and payable to METL is not dependent upon sanction/disbursement of such loan. It is specifically made clear to you that your financial liability to make timely payment of installments shall continue unabated,

irrespective of status of your application for loan and/or its sanction/refusal by the bank/financial institution. The delay or failure in disbursement of the loan amount shall not entitle you to commit delay or default in payment of installments in respect of the Plot.

18. You agree and confirm that METL will endeavour to provide motorable approach road from SH-15 A to the entry gate of the Plot, before the commencement of construction by you. METL shall further endeavour to provide other infrastructure facilities, such as, construction of storm water drain at battery limits of the Plot, common approach road (including street lighting) from SH-15 A to the entry gate of the Plot, and construction of sewage water drainage system at the battery limit of the Plot, prior to completion of construction and commencement of production/ commercial operations on the Plot.
19. You agree that this provisional allotment letter is for sale of the Plot with certain infrastructure facilities and other services. You have agreed that in case of any major structural defect in the aforesaid infrastructure and services or the obligations of METL as per this Letter relating to such development, which is causing direct loss to you, is brought to the notice of METL within a period of 5 (five) years from the date of handing over of possession, it shall be the duty METL to rectify such structural defects without further charges, within a period of 90 (ninety) days. In the event of METL's failure to rectify such structural defects within such time, you shall be entitled to appropriate compensation in the manner as provided in the Act. Provided that METL shall not be liable to any such structural, architectural and other defects induced, directly or indirectly by you or any other person, other than duly authorized by METL, by means of carrying out any changes or works thereon.
20. You understand and confirm that METL shall compensate you, in case of any direct loss suffered by you, after taking physical possession of the Plot, due to defective title of the land, which is substantive in nature and non-curable and is comprised in such area of the Plot that is being developed or has been developed. However, such compensation shall be proportionate to the area of land of the Plot for which the title is found to be defective and shall not, under any circumstances, exceed the Total Price received by METL under this Agreement. Provided further that such compensation shall be payable by METL only where you make a claim for such defect in title of land within 5 (five) years of execution of the sale deed and METL accepts your claim. This indemnity right is sole and exclusive remedy to you for the matter covered above and such rights are for a maximum period of 5 (five) years from date of execution of the sale deed.
21. You authorize METL to adjust/ appropriate all payments made by you under any head(s) of dues against any outstanding from you, including but not limited to, outstanding interest amount, as per terms of this letter/Agreement For Sale, against the Plot, if any, in your name and you undertake not to object/ demand/ direct METL to adjust your payments in any manner other than as decided by METL.
22. The execution and registration of the Agreement For Sale will ipso facto result in making this provisional allotment final allotment of the Plot in your favour. Any further rights and obligations of the parties shall be governed by such Agreement For Sale. You further undertake that you shall execute the instrument for transfer of rights, title and interest in the Plot from METL to you in the form, substance and manner as prescribed by METL, before taking over the possession of the Plot within such period as stipulated in the Agreement For Sale and the same shall be registered within the time prescribed in the form, substance and manner as prescribed by METL. The cost of stamp duty and registration charges, as applicable, for all of the instruments executed or signed by you, including but not limited to the stamp duty and registration of the Agreement for Sale and the Sale Deed shall be borne entirely by you.

23. You shall abide by all the terms and conditions of the Agreement For Sale and upon fulfilment of the conditions of the Agreement for Sale will be bound to execute the Sale Deed along with Common Area Maintenance services agreement, Water Supply and Services Agreement and all other documents after making the payment of balance installments on or before the respective due dates mentioned above. In the event, you either do not make full payment and/or fail to execute the sale deed and other agreements/ documents as mentioned above with METL in the time stipulated in the Agreement for Sale, METL will cancel the allotment and forfeit the Booking Amount.
24. You shall abide by all the terms and conditions and obligations mentioned in the licenses, permissions, approvals and the registration certificate issued to METL by Haryana Real Estate Regulatory Authority at Panchkula under provisions of the Real Estate (Regulation and Development) Act, 2016, Haryana Real Estate (Regulation and Development) Rules, 2017, and the regulations made thereunder and as amended from time to time, as applicable to the Allottee of an industrial plot in the Licensed Industrial Colony.
25. This provisional allotment letter does not confer upon you any right to obtain or assume possession of the above mentioned Plot nor does it authorise you to earmark or demarcate or start any work on the Plot. The physical possession of the Plot will be handed over to you only after receipt of the Total Price of the Plot as per Clause 7 & 9 above, including interest, Government Charges, change/modification in taxes/charges/ fee/ levies and other dues, as applicable, and upon execution and registration of the Sale Deed. Possession of the Plot shall be handed over by METL on "as is where is" basis and METL shall not be responsible either for earth filling or levelling of Plot at road level in any manner whatsoever. You have applied for the allotment of the Plot after physical examination of the prevailing conditions of the Plot to your satisfaction. You agree to obtain possession of the Plot within a period of 30 (thirty) days from the date of offer of possession/conditional offer of possession by METL. You further agree that if you fail to obtain possession of the Plot within the stipulated timelines, then you shall be liable to pay to METL applicable maintenance charges for the upkeep and maintenance of the common areas and essential services therein from the date of conditional offer of possession/ offer of possession or commencement of common area maintenance services, whichever is later.
26. You understand that the construction on the Plot will have to be carried out as per plans approved by Government authorities and you shall complete the construction of at least 25% (twenty five percent) of permissible FAR and commence production/ commercial operations on the Plot within a period of 4 (four) years from the date of this Provisional Allotment Letter unless extended mutually by the parties for a maximum of 2 (two) terms of 1 (one) year each on payment of extension fees at the rate of Rs.500/- (Rupees Five Hundred Only) per square meter calculated against the area of the Plot for first year of extension or part thereof and at the rate of Rs.1,000/- (Rupees One Thousand Only) per square meter calculated against the area of the Plot for the second year of extension or part thereof. In case you commit any default in fulfilling your obligations herein above, METL at its sole discretion shall be entitled to call upon you to re-convey the Plot in favour of METL/its nominee(s) on payment of 80% (eighty per cent) of the Total Price as set out herein without any interest. You shall, without any protest, demur or cavil, pay the requisite stamp duty, registration charges and other incidental costs to be incurred on such re-conveyance.
27. In case after execution of Sale Deed, if you intend to sell, lease, convey, assign and/or transfer the Plot to third party, you shall obtain prior written permission of METL subject to payment of transfer fee @ 5% (five percent) of the prevailing price of METL of similar plot or transaction executed by any other party for similar plot within the Project, whichever is higher. The transfer fee referred to above shall be payable by you only in

case you have not completed construction of 25% (twenty five percent) of permissible FAR and have failed to commence production/ commercial operations. Such permission will be granted if you have paid all the dues and the third party transferee agrees to execute all the documents/ agreements which you have executed with METL and further undertakes to be bound by and adhere to all the terms and conditions provided therein.

28. You shall, at all times, abide by (i) all applicable laws and regulations; and (ii) the terms and conditions of all the approvals and licenses obtained by METL, from time to time, including but not limited to the layout plans, zoning plans, environment clearances, etc. and you shall submit all compliance reports to METL in time.
29. Post development of the entire Licensed Industrial Colony, METL may form single association/ separate association/ apex body in its Licensed Industrial Colony. You undertake to become member of such association formed for the colony. You together with all other members of the association undertake not to interfere in any manner or create any hindrance/ obstruction in the right of way on the common area/road to enable METL to access its other land parcels adjacent to the project for development. You admit and acknowledge that METL shall always have the absolute right to amalgamate other land parcels to the land subject matter of the Licensed Industrial Colony.
30. You understand and agree that the boundary wall and gate within the Plot, shall have to be constructed as per the design provided by METL. While making an application for obtaining approvals of the building plans for construction on the Plot You shall strictly adhere to and comply with the architecture control guidelines issued by METL (including any amendments thereof) from time to time. You also undertake and agree to construct the building on the Plot strictly in accordance with building plan approved by competent authority(ies) and in accordance with Haryana Building Code, 2017. You further undertake and agree that the facade (including the elevation style, themes, material finishes, frame and boundary walls, colour scheme of the outer walls or painting of the exterior side of the windows, or design etc.) of the building to be constructed on the Plot shall be in accordance with the architecture control guidelines and building plan as approved by competent authority. You shall strictly and scrupulously follow the approved building plan and architecture control guidelines. Any default in this regard shall be construed to be violation of terms of allotment and shall entitle METL to initiate appropriate action as contemplated in this provisional allotment letter.
31. You agree and undertake that while carrying out construction/development activity, you as well as your contractor or its worker or agent shall not cause any obstruction or damage or commit any encroachment over the road and the common areas abutting to the Plot. In the event, the road & common area abutting to the Plot is/are obstructed or damaged during the course of construction/development over the Plot, you shall alone be liable and responsible for any consequences thereof including but not limited to bear/incur cost of repair of the road and common area to bring it its original condition. You agree and undertake that you shall not directly or through any contractor or third party impair, deface, vandalise or in any way cause damage or loss to the common areas, service areas, facilities and amenities, pavers, horticulture, etc., constructed or that may be constructed by METL in the Project and the Licensed Industrial Colony, while undertaking any development and construction activity at the Plot. You agree and undertake to be liable for any damage, loss suffered by METL on account of activities undertaken by you or any person or contractor / third party engaged by you or acting on your behalf and shall on demand make good the damage and loss suffered by METL. You agree and hereby authorize METL to remove any obstruction/hindrance/ encroachment placed/made by you on the common area, roads, etc. and the cost of removal of such encroachment shall be recovered from you.

32. You confirm that you have seen and understood the site and scheme of development, approved layout plans/ environment clearance approvals/ other licenses, approvals and documents. You are aware that the Project is planned to be developed by METL in accordance with the layout plan sanctioned by the Competent Authority, which may be changed from time to time by the Competent Authority. Further, you have seen, understand and acknowledge that there are other's land parcels situated within and adjacent to the layout plan area, which may be acquired by METL for the purposes of coherent, comprehensive and contiguous development and will thus require revision of the layout plan of the Licensed Industrial Colony subsequent to obtaining license for such additional area. You also acknowledge that METL may also make such additions or alterations as may be required by METL, or such changes or alterations as per the provisions of the Act and Rules made thereunder or as per approvals/ instructions/ guidelines/ regulations of the competent authorities. Considering all the above circumstances, you hereby confirm that you shall have no objection if METL makes suitable and necessary alterations in the layout plan of the Project, if necessary for better planning of the layout of the Project and/or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to the Project, de-license of some area, change in the planned road network, common areas, change in the identification number of the Plot, and subject to mutual consent, change in the access, change in location of Plot, dimensions or area of the Plot, etc. Subject to the above, you undertake to inform METL or the competent authority in writing, your consent or objections to the changes within 30 (thirty) days from the date of intimation of such changes in the layout plan provided by METL to you, failing which you shall be deemed to have given your full consent to such alterations/ modifications.
33. You have been informed and have understood and satisfied yourself about the saleable and non-saleable areas in the Project and which are to be developed & handed over to association of allottees and others which will be constructed, owned and operated by third parties on payment of fee/ charges. You further understand and acknowledge that third party rights will be created by METL in plots/sites earmarked for various facilities after taking permission from DTCP, on receipt of consideration. Such third parties in whose favour allotment of these sites will be made upon payment of agreed sale consideration, shall alone have exclusive and absolute ownership as well as possessory rights over the same and will develop these plots/sites, raise construction and operate/ manage the same and shall realize revenue therefrom. You have understood and acknowledge that costs of these plots/sites earmarked for various facilities have not been accounted for and recovered from any of the allottees of Licensed Industrial Colony including you. You further acknowledge and confirm that these plots/sites earmarked for various facilities, wherever located/ established, are for common use of all the allottees/habitants of the Licensed Industrial Colony as well as for outside public. You shall not object to the free access of all allottees/ habitants of the Licensed Industrial Colony as well as for outside public to these community facilities.
34. You understand and agree that the present provisional allotment letter and Agreement For Sale is/ are non-transferrable/ non-assignable. Any transfer made by you without obtaining prior written permission of METL shall be treated as null and void and any such transfer shall not be binding on METL. No right of any nature shall be acquired by the transferee by virtue of such unauthorised transfer. You understand and confirm that METL shall charge /transfer fee, as may be decided by METL from time to time, for any request for transfer, as stipulated in Clause 27 above, after execution of the sale deed, and the same shall be effected in a manner and as per procedure as may be formulated by METL. You and the transferee shall be required to execute and submit such necessary documents in the formats as may be required by METL for grant of permission for such transfers/assignment. Moreover, you/the transferee shall be solely responsible and liable

to indemnify METL for all legal, monetary or any other consequences that may arise from such transfer/assignment.

35. You shall be responsible to obtain the requisite building plan approvals, environmental approvals (including the consent to establish and consent to operate as may be required, from HSPCB) and shall abide by the terms and conditions thereof.
36. You agree and undertake that you shall enter into an agreement for the maintenance of common areas with METL or its nominee or the maintenance agency, as may be appointed by METL from time to time, for the maintenance and upkeep of the MET and you further undertake to pay charges for such maintenance at the rates fixed by METL from time to time, until common areas and its maintenance services are handed over to the association of allottees or the competent Government authority or any other body so appointed/ authorized by the Government. You undertake to pay these charges to METL from the date of commencement of these services or date of offer of possession/ conditional offer of possession of the Plot, whichever is later, and till such time the maintenance services are handed over to the association of allottees or the competent Government authority or any other body so appointed by METL or authorized by the Government.
37. You hereby give your irrevocable consent to become member of a body of the association of plot owners to be formed in accordance with the applicable laws, rules and bye laws and execute necessary documents as and when required. You further understand that a sum equivalent for three quarters of common area maintenance services charges is payable/to be deposited on account of interest free maintenance security deposit ("IFMSD") before the execution of Sale Deed. You have been informed and you understand that the IFMSD amount payable by you shall be non-refundable and shall be entrusted/transferred by METL to the account of the association of allottees at the time of handing over of the common areas and facilities to the association of allottees or the competent authority, after adjusting dues payable to METL, as the case may be.
38. You understand and acknowledge that METL will also be providing certain infrastructure services such as supply of water, waste water treatment, supply of recycled water, solid waste management, telecommunication and data services etc. on user based charges or pay and use principle. You agree and undertake that you shall execute specific services related agreements before availment of those services and pay specific service charges in respect of such services, as may be determined by METL.
39. You agree to be bound by the decision of METL to offer the power load and water requirement as per the plot wise load norms fixed by the Government and in case you require or demand higher power load or quantity of water, you undertake to pay in advance, the additional costs (including any deposits) as determined by METL for water and UHBVN for power.
40. You understand and acknowledge that the Total Price for the Plot does not include External Development Charges ("EDC") and such other charges and/or increase thereof, as may be levied by the Government (collectively hereinafter referred to as "Government Charges") from time to time. You accordingly agree and undertake to pay to METL, as and when demanded by METL, all such Government Charges in relation to the Plot as applicable, and all increases thereto, as may be levied by the Government from time to time in the same proportion as the area of the Plot bears to the total area of MET, on which such Government Charges have been paid. As a matter of illustration, the amount payable will be computed in the manner – amount payable / (1 – x), where 'x' stands for the percentage of the land to be used for common area development as per the last

approved layout plan. In the event METL pays any Government Charges for the Plot, you agree and undertake to make good the aforesaid payments to METL within a period of 30 (thirty) calendar days from the date of the demand by METL failing which you shall pay interest on such delayed payments at the rate of 15% (fifteen percentage) per annum compounded with quarterly rests. In case METL is required to submit BG to the Government, you undertake to give corresponding BG to METL within 15 days of intimation received from METL. METL shall have lien/first charge on the Plot for all unpaid amounts and in the event of any non-payment/non-compliance, METL will be entitled to exercise and enforce its lien/ first charge over the Plot at your cost and expense.

41. All or any disputes arising out or in relation to the terms and conditions of this letter, including the interpretation and validity of the terms thereof and the respective rights and obligations of the Parties, shall be settled amicably by mutual discussion, failing which the same shall be settled through the adjudicating officer appointed under the RERA Act read with the HRERA Rules, as amended up to date.
42. You acknowledge that you have read the drafts of standard Agreement For Sale, Sale Deed, common maintenance services agreement, water supply and services agreement, Development Control and Services Guidelines and architecture control guidelines published by METL and fully understood the form and contents of each of these agreements and documents before countersigning your acceptance and submitting this provisional allotment letter and undertake to execute the Sale Deed along with Common Area Maintenance services agreement, Water Supply and Services Agreement and all other documents, as may be prescribed by METL, after making the payment of balance instalments on or before the respective due dates mentioned above and abide by them.
43. You affirm that all the information and clarifications as required by you in relation to the Plot and the Project have been provided/ made available to your satisfaction and you are fully satisfied with the same and have fully acquainted yourself of all the particulars of the MET. You hereby confirm that you are counter signing this provisional allotment letter with full knowledge of all the laws, rules, regulations, notifications, etc., applicable to the Plot and the Project.
44. You understand and confirm that the obligation of METL to handover the possession of the Plot and execution of Sale Deed will be suspended/postponed by the period during which force majeure conditions prevail. For the purpose of this letter, the term 'force majeure' shall have the meaning ascribed to it in the Agreement For Sale.
45. You are requested to sign one copy of this Provisional Allotment Letter confirming your acceptance and return one signed copy of the same to METL within 7 (seven) days from date hereof.

WHEREAS:

- A. The Promoter is, *inter alia*, engaged in the development of an integrated industrial colony by the name and style of Model Economic Township (“**MET**”).
- B. The Promoter is the absolute and lawful owner of land parcels admeasuring 155.8375 acres situated at village Nimana, Tehsil Badli, District Jhajjar, Haryana (“**Said Land**”), which has been purchased by the Promoter by various sale/exchange deeds. For the purpose of development of industrial colony, DTCP has granted license to the Promoter under the Haryana Development and Regulation of Urban Areas Act, 1975 and rules made thereunder, bearing License No. 138 of 2023 dated 06.07.2023 (“**License**”). In terms of the License, the Promoter has the right to establish an industrial colony on the said Land (“**Licensed Industrial Colony**”).
- C. The Promoter is developing the Licensed Industrial Colony in phases and current phase of development of the Said Land comprises of an area of land admeasuring 148.69 acres (hereinafter referred to as the “**Project**”) and for the purpose the Promoter has registered the Project under the provisions of the Act with the Authority at Panchkula vide Registration No. HRERA-PKL-JJR-554-2024 dated 05.03.2024. The Promoter has also obtained approval of the layout/ zoning plan from DTCP for the Project.
- D. The Promoter is fully competent to enter into this Agreement and all the legal formalities with respect to the right, title and interest of the Promoter regarding the Said Land on which Project is to be constructed, have been complied with.
- E. The Allottee has applied *vide* Application No. _____ dated _____ for purchase of an industrial plot and has been provisionally allotted industrial Plot No. _____, Street No. _____, Sector 11, vide provisional allotment letter dated _____ in the Project of Promoter, which is delineated in the map annexed herewith as **Annexure - A** and **Annexure - B** hereto, and more specifically described in the **Schedule I** attached hereto (hereinafter referred to as “**Plot**”) and is desirous of setting up an industrial unit for _____ (herein after referred to as the “**Purpose**”).
- F. The Allottee acknowledges and agrees that during development of all such phases, being developed over the Licensed Industrial Colony, any additional land that may be amalgamated by the Promoter with the Project with the requisite infrastructure facilities and services and Common Areas will be connected with each other over the entire layout plan area and used by all allottees of all the phases/projects in common. The Allottee further acknowledges and agrees that Promoter will be carrying out extensive development works/ construction activities in subsequent phases over the Licensed Industrial Colony/other amalgamated land in future, without affecting dimensions of the Plot of the Allottee, and the Allottee hereby confirms that it shall not raise any objection(s) or make any claim(s) or default in any payments as demanded by the Promoter on account of any inconvenience, which may be suffered by the Allottee due to such developmental/ construction activities or incidental/ related activities.
- G. The Parties hereby confirm that they are executing this Agreement with full knowledge and understanding of all the laws, rules, regulations, notifications, etc., applicable in the State of Haryana and those related to the Project, and have fully understood their respective rights and obligations.
- H. The Allottee acknowledges that it has read and understood the contents of sale deed, common area maintenance services agreement, water supply and services agreement

and Development Control and Services Guidelines and architectural guidelines framed by Promoter and agree to abide by the same.

- I. The Allottee acknowledges that the Allottee has physically inspected the site of the said Plot and the Project and after making verifications has understood and satisfied itself in all respects about legality of the title held by the Promoter, the location, size, price, infrastructure status, local conditions and environment with regard to its suitability for the Purpose, availability of finance and interest rates and market conditions etc. The Allottee has not relied upon any advertisements, representations, promises or any other information, verbal representation and assurances, warranties, statements or estimates of any nature whatsoever made by agents/ brokers or otherwise including but not limited to any visual or oral representations relating to the description, location or physical condition of the said Project / said Plot, under any influence or coercion of any nature, unless authorized in writing by the Promoter and thereafter has agreed to purchase the Plot in the Project
- J. The Allottee acknowledges that the Promoter has agreed to enter into this Agreement on the assurance by Allottee as it being actual end user and not for any speculation or resale purposes.
- K. The Parties, relying on the confirmations, representations and assurances of each other, do faithfully abide by all the terms, conditions and stipulations contained in this Agreement and all applicable laws, are now willing to enter into this Agreement on the terms and conditions appearing hereunder.
- L. In accordance with the terms and conditions of this Agreement and as mutually agreed upon by and between the Parties, the Promoter hereby agrees to sell and the Allottee hereby agrees to purchase the Plot as specified in Recital E above.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL REPRESENTATIONS, COVENANTS, ASSURANCES, PROMISES AND AGREEMENTS CONTAINED HEREIN AND OTHER GOOD AND VALUABLE CONSIDERATION, THE PARTIES AGREE AS FOLLOWS:

1. TERMS:

- 1.1 Subject to the terms and conditions as detailed in this Agreement, the Promoter agrees to sell to the Allottee and the Allottee hereby agrees to purchase from the Promoter the Plot as specified in Recital E herein above and Clause 1.2 herein below.
- 1.2 The total sale consideration for sale of the Plot is Rs. _____/- (Rupees _____ Only) ("**Total Price**") as per the breakup and description provided herein below:

Particulars of Plot	Plot Area (sq. m.)	Rate (Rs./sq.m.)	Total Price (Rs.)
Plot No. ____, Street ____, Sector 11			

External Development Charges (EDC)	Presently EDC not applicable. As and when the EDC rates are notified by the Government and made applicable to the Project, the same shall be payable by the allottees.
------------------------------------	--

The Parties further agree that the Total Price shall not be increased in future, on account of any payments which may be required to be made by the Promoter to any of the erstwhile owners of the land parcels comprising the Plot, other than as provided under this Agreement, save and except the variation, as provided in Clause 1.3 and Clause 1.12, which the Allottee hereby agrees to pay, due to change in area of the Plot or on account of increase in taxes, fees, charges, levies, infrastructure development charges, etc., or Government Charges (as defined in Clause 1.12) that are payable to the Competent Authority and/ or any other increase in charges which may be levied or imposed by the Competent Authority from time to time and/ or due to increase (retrospective or prospective) on account of development charges payable to the Competent Authority. The Promoter undertakes and agrees that while raising a demand on the Allottee for increase in taxes, fees, charges, levies, Government Charges, etc., imposed by the Competent Authorities, the Promoter shall enclose the said notification/ order/ rule/ regulation to that effect along with the demand letter being issued to the Allottee, which shall be payable on demand and applicable on subsequent payments.

- 1.3 The Parties are aware that at the time of measurement, there may be variation in actual size of the area of the Plot, which shall not vary more than $\pm 5\%$ (five percent) of the total area of Plot as mentioned in this Agreement unless mutually agreed by the Parties. The actual measurement and demarcation of the Plot will be done at site before the execution of the Sale Deed/ delivery of possession. The Parties agree that the variation, if any, in the Total Price on account of difference in area of the Plot shall be adjusted in the final installment of Total Price or set off against any other amount payable by the Allottee(s) to the Promoter.
- 1.4 The Allottee(s), within 30 (thirty) days from the execution of this Agreement and prior to the execution of the Sale Deed, if required by the Allottee(s), will carry out and complete title due diligence of the Plot to confirm that the Promoter is the owner of the Plot and no third party has any rights over the Plot or the title thereto ("**Due Diligence**"). The Promoter will co-operate with the Allottee(s) in such exercise by providing requisite information and documents as may be available with the Promoter to undertake such Due Diligence. Upon expiry of the period of 30 (thirty) days from the date of this Agreement, in case the Promoter does not receive any further request for information from the Allottee or request for resolution of any issues arising out of the Due Diligence process, then the Due Diligence will be deemed to have been completed by the Allottee to his satisfaction.
- 1.5 The Parties agree that the Total Price for the Plot shall be payable by the Allottee to the Promoter in the manner provided below ("**Payment Plan**"):

A. Booking Amount

An amount equivalent to approximately 10% (ten percent) of the Total Price for the Plot ("**Booking Amount**"), amounting to Rs. _____/- (Rupees _____ Only) has been paid by the Allottee, as under:

Payment Mode	Bank Name	Instrument No.	Instrument Date	Amount(Rs.)

at the time of submission of application for provisional allotment. The Promoter hereby

acknowledges the receipt of the Booking Amount; and

B. Remaining Price

The balance amount of the Total Price being an amount of Rs. _____/- (Rupees _____ Only) equivalent to 90% (ninety percent) of the Total Price (subject to adjustments, if any, as provided in Clause 1.3 and Clause 1.12 of this Agreement) ("**Remaining Price**"), subject to deduction of tax at source at applicable rates under Section 194-IA of the Income Tax Act, 1961, shall be payable by the Allottee to the Promoter in the manner provided below:

Schedule Description	Percentage	Due Date	Amount(Rs.)
At the time of Booking	10.00	_____	
1st Installment	15.00	_____	
2nd Installment	25.00	_____	
3rd Installment	25.00	_____	
4th Installment	25.00	_____	
Total Price	100.00		

The above mentioned last installment will be subject to revision on account of any adjustment made as provided in Clause 1.3 and Clause 1.12 of this Agreement and shall be payable by the Allottee to the Promoter on or before above mentioned due date and Sale Deed shall be executed within 30 (thirty) days thereafter.

- 1.6 It is understood by the Allottee that the payment of installments is time linked and is not relatable to or subject to, in any manner, completion of the different stages of infrastructure development/ implementation of the Project.
- 1.7 The Parties further agree and affirm that since timely payment of all the installments is the essence of the contract and the Allottee is under an obligation to make the payment of the entire amount of the Remaining Price to the Promoter on or before the respective dates, as set out hereinabove. The Allottee shall pay all instalments towards the Remaining Price, within the time period as contemplated in Clause 1.5 of this Agreement. If any installment(s) is not paid within the time allowed for payment thereof, such unpaid installment(s) shall carry interest calculated at the rate prescribed in the Rules, which is presently State Bank of India Marginal Cost of Lending Rate (MCLR) plus 2% (two percent), compounded at quarterly rests till the date of realization thereof. In case SBI MCLR is not in use, it shall be replaced by such benchmark lending rates which SBI may fix from time to time for lending to general public. The Allottee waives any requirement for a specific notice to be issued by the Promoter for levy of interest as it has agreed to comply with the timelines set forth in Clause 1.5 above and pay interest for delayed payment irrespective of demand of such interest received from the Promoter. If two consecutive instalments (along with the applicable interest, if any) are not paid and such default continues beyond 90 (ninety) days, the same shall constitute an event of default by the Allottee and the Promoter shall have the right to terminate this Agreement in accordance with the terms agreed under this Agreement and the consequences as mutually agreed between the Parties under this Agreement shall be applicable. Provided that in the event the Promoter intends to terminate this Agreement, it shall intimate the Allottee about such termination at least 30 (thirty) days prior to such termination. In the event of termination, the balance amount after

forfeiture of Booking Amount in favour of Promoter, will be refunded by Promoter within 90 (ninety) days of such termination without any interest.

- 1.8 It is expressly agreed and understood between the Parties that the Total Price includes the cost of the following:
- (a) conversion and development of the Said Land with zoning of the Plot;
 - (b) construction of storm water drain at battery limits of the Plot;
 - (c) common approach road (including street lighting) from SH-15 A to the entry gate of the Plot;
 - (d) construction of sewage water drainage system at the battery limit of the Plot.
- 1.9 The Promoter has approval of the Government for drawl of surface water as well as to extract the ground water. The Promoter is developing the complete infrastructure to draw the water, transport to its Licensed Industrial Colony, distribution network to supply the water as well as to collect waste water, treat and supply the treated waste water to the Allottee. Allottee undertakes to pay the user charges for such supply of fresh water, treatment of waste water and supply of treated waste water at the rates decided by the Promoter.
- 1.10 The Promoter is developing common electrical infrastructure in its Licensed Industrial Colony (MET) as per electrification plan approved by Uttar Haryana Bijli Vitran Nigam (UHBVN). Promoter will construct/has constructed electric sub-stations along with other electrical infrastructure and distribution network, which will be handed over/has been handed over to UHBVN for providing electricity directly to the occupants in Licensed Industrial Colony. UHBVN will give the required connections to provide electricity supply to the occupants as per its terms & conditions, and shall raise bills for consumption charges directly to the occupants in MET and occupants/users shall pay such charges directly to UHBVN. If Allottee plans to change/enhance/ augment its electrical load in future, it may do so directly with UHBVN and pay necessary charges as applicable directly to UHBVN. The Promoter will not be responsible for any such change/enhancement/augmentation.
- 1.11 The Promoter shall endeavour to provide motorable approach road from SH-15 A to the entry gate of the Plot before the commencement of construction by the Allottee and other infrastructure facilities as mentioned above before commencement of production/ operations of the Allottee on the Plot.
- 1.12 **Payment of Government Charges**
- 1.12.1 Notwithstanding anything contained above, the Parties further agree and acknowledge that the Total Price does not include External Development Charges (“EDC”) and such other charges and /or increase thereof, as may be levied by the Government (collectively hereinafter referred to as “**Government Charges**”) from time to time. The Allottee accordingly agrees and undertakes to pay to the Promoter as demanded by Promoter all such Government Charges in relation to the Plot as applicable, and all increases thereto, as may be levied by the Government from time to time. Further, the Allottee shall be liable for the payment of any other such Government charges, fees, cess, levies, taxes, payments for the Plot, which are to be normally paid/payable by a buyer or recoverable from a buyer as per the applicable laws or as per the prevailing market practice at any time. It is made abundantly clear that all Government Charges are solely to the account of the Allottee and the Promoter shall have no liability in this regard.

- 1.12.2 It is also made clear to the Allottee that such Government Charges may be levied by Government of Haryana from prospective or retrospective effect from date of license and in the event the Promoter shall demand from the Allottee to pay such charges in proportion of the area of the Plot bears to total area of the licensed colony as explained in Clause 8.2 (i) hereinafter mentioned.
- 1.12.3 Further, it is made known to the Allottee that Government of Haryana may also levy other charges at any stage including on the completion of the licensed colony or thereafter, the demand of which will be raised by the Promoter and the Allottee undertakes to pay the same. In the event the Promoter pays any Government Charges for the Plot, the Allottee will make good such payments to the Promoter within a period of 30 (thirty) calendar days failing which the Promoter will be entitled to interest on such amounts, calculated at 15% (fifteen percent) per annum, compounded on quarterly rest.
- 1.12.4 In the event the Promoter has to provide any bank guarantee to a Government Authority in respect of Government Charges mentioned in this Clause in relation to the Plot, the Allottee, shall furnish such bank guarantee within a period of 15 (fifteen) days from the date of notice from the Promoter. In the event such bank guarantee is furnished by the Promoter to the Government Authority for the Plot, the Allottee shall provide a bank guarantee for an equivalent amount in favour of the Promoter, within a period of 15 (fifteen) days from the date of notice from the Promoter. Upon being given a notice to comply with the terms within a stipulated time, if the Allottee fails to comply with the provisions of this Clause 1.12 within the stipulated time, then any interest, default interest, fines or penalties that are charged/demanded from the Promoter by such Competent Authority or cost of any legal proceedings which may be taken by such authority against the Promoter shall be to the account of and payable by the Allottee to the Promoter.
- 1.12.5 This undertaking by the Allottee shall always survive the conveyance of the Plot in favour of Allottee. The Allottee recognizes that such demand when made will constitute unpaid Price and agrees that even if such demand is made by the Promoter after sale deed is executed in favour of Allottee, the Promoter shall have lien/ first charge on the Plot for all unpaid amounts and in the event of any non-payment/ non-compliance, Promoter will be entitled to exercise and enforce its lien/first charge over the Plot at the cost and expense of the Allottee. The Allottee undertakes not to object to the Promoter resuming the Plot or taking any legal action to recover such unpaid Price from Allottee.
- 1.13 In the event the Allottee fails to fulfil any of its obligations in terms of Clause 1.12 of this Agreement then, the Promoter shall have the following rights:
- (a) the Promoter shall have first charge over the Plot and any superstructure thereon, to be recoverable either by enforcing the charge or from out of the sale proceeds of the Plot as the case may be;
 - (b) the right to suspend the infrastructure services for the Plot, at the cost and consequences of the Allottee; and
 - (c) any other legal recourse /remedy available to the Promoter.
- 1.14 It is agreed that the Promoter shall not make any additions and alterations in the sanctioned layout/ zoning plans in respect of the Plot as the case may be, without the previous written consent of the Allottee as per the provisions of the Act or as per approvals/ instructions/ guidelines of the competent authorities. The Project is planned to be developed by the Promoter in accordance with the layout plan sanctioned by the Competent Authority, which may be changed from time to time by the Competent

Authority. Further, the Allottee has seen, understands and acknowledges that there are other's land parcels situated within and adjacent to the layout plan area, which may be acquired by the Promoter for the purposes of coherent, comprehensive and contiguous development and will thus require revision of the layout plan of the Licensed Industrial Colony subsequent to obtaining license for such additional area. Further, the Promoter may also make such additions or alterations as may be required by the Allottee, or such changes or alterations as per the provisions of the Act and Rules made thereunder or as per approvals/ instructions/ guidelines/ regulations of the competent authorities. Considering all the above circumstances, the Allottee hereby confirms that it shall have no objection if the Promoter makes suitable and necessary alterations in the layout plan of the Project, if necessary for better planning of the layout of the Project and/or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to the Project, de-licensing of some area, change in the planned road network, common areas, change in the identification number of the Plot, and subject to mutual consent, change in the access, change in location of Plot, dimensions or area of the Plot, etc. Subject to the above, the Allottee agrees to inform the Promoter or the Competent Authority in writing, his/ her consent or objections to the changes within 30 (thirty) days from the date of intimation of such changes in the layout plan provided by the Promoter to the Allottee failing which the Allottee shall be deemed to have given his full consent to such alterations/ modifications. Notwithstanding anything contained hereinabove or in any other Clause in this Agreement, the changes / modifications/ amendments as may be required by the Competent Authority in the layout plan for the Project in future, shall automatically supersede the present approved layout plan for MET and become binding on the Allottee.

2. PAYMENT OBLIGATION OF ALLOTTEE:

Subject to the terms of this Agreement and the Promoter abiding by the Project completion timelines, as submitted with the Authority at the time of registration of the Project with the Authority or any extension thereof granted by the Authority, the Allottee shall make all payments to the Promoter, within the stipulated time and in the manner as mentioned in the Payment Plan as prescribed in Clause 1.5 above through account payee cheque/ demand draft/ bankers cheque or online payment (as applicable) in favour of 'Model Economic Township Limited' payable at Gurugram.

The Allottee acknowledges and confirms that if the Allottee apply for a loan to any bank/ financial institution, liability of Allottee to make timely payment of the instalments and other amounts and charges due and payable to Promoter is not dependent upon sanction/disbursement of such loan. - (b) the Allottee fails to execute and register the Sale Deed; or
- (c) commencement of insolvency or bankruptcy proceedings against the Allottee, or liquidation of the Allottee.

9.4 In case the default by Allottee under the condition listed above at Clause 9.3 (a) or (b) continues for a period beyond 90 (ninety) days after notice from the Promoter in this regard, the Promoter may cancel the allotment of the Plot and refund the money paid by the Allottee after forfeiting the Booking Amount paid for the Plot and deduction of amount paid or payable on account of interest on delayed payments. The Allottee waives the requirement for the Promoter to issue any notice for the levy of interest in the event of default by the Allottee. The balance amount of money paid by the Allottee shall be returned by the Promoter to the Allottee within 90 (ninety) days of such cancellation. On such default and payment by Promoter to the Allottee, as stated above, the Agreement and any liability of the Promoter arising out of the same shall thereupon, stand terminated. Provided that, the Promoter shall intimate the Allottee about such termination at least 30 (thirty) days prior to such termination.

10. CONVEYANCE OF THE PLOT:

10.1 The Promoter, on receipt of Total Price of Plot, shall execute the Sale Deed in favour of Allottee immediately but not later than 30 (thirty) days of receipt of the Total Price. However, in case, the Allottee fails to deposit the stamp duty and/ or registration charges, other ancillary charges within the period mentioned in the notice, the Allottee authorizes the Promoter to withhold registration of the sale deed in his/ her favour till such stamp duty, registration charges, other ancillary charges are deposited by the Allottee.

- 10.2 This Agreement and the Sale Deed shall be executed and registered in accordance with the laws as applicable in the State of Haryana. The entire incidence of the stamp duty and the registration fee, including any other charges related thereto, along with any other cess or surcharge payable thereon, shall be borne exclusively by the Allottee. The Parties shall bear their own legal costs and tax liability.

11. MAINTENANCE OF PROJECT:

- 11.1 The Promoter or the maintenance agency appointed by the Promoter shall be responsible to provide and maintain essential services in the Project till taking over of the maintenance of Project by the Competent Authority or the association of allottees, as the case may be, upon the issuance of the completion certificate of the Project, as the case may be.
- 11.2 The Allottee acknowledges and agrees that a sum equivalent to common area maintenance charges for three quarters is payable/to be deposited on account of interest free maintenance security deposit (“**IFMSD**”) along with last instalment of Total Price before taking over possession of the Plot and execution of sale deed. The Allottee further acknowledges and agrees that the IFMSD amount payable by the Allottee shall be entrusted/ transferred by Promoter to the account of the association of allottees/ Competent Authority at the time of handing over of the common areas to the association/ Competent Authority after adjusting dues of the Allottee, if any.
- 11.3 The Allottee agrees to enter into an agreement for the maintenance of common areas with the Promoter or the maintenance agency appointed by Promoter, as may be, at the time of taking over possession of the Plot and execution of sale deed, for the maintenance and upkeep of the Project and undertakes to pay charges for such maintenance at the rates fixed by the Promoter from time to time, until these are handed over to the association of allottees or the competent Government authority or any other body so appointed/ authorized by the Government. The Allottee undertakes to pay these charges to the Promoter from the date of offer of possession/ conditional offer of possession or commencement of common area maintenance services by Promoter, whichever is later, and till such time the maintenance services are handed over to the association of allottees or the competent Government authority or any other body so appointed by the Promoter or authorized by the Government.

12. INFRASTRUCTURE AND ENVIRONMENT:

The Promoter would provide certain infrastructure services on use based charges or pay-and-use principles to the Allottee. The Allottee affirms and acknowledges that: (a) a separate agreement would be executed between the Promoter and the Allottee, in relation to such infrastructure services; and (b) separate service charge(s), as decided by the Promoter, shall be payable by the Allottee in relation to such infrastructure services.

(a) Power

The Promoter shall provide last mile connectivity to the battery limits at a single point at the boundary of the Plot, on or before the Allottee commences production/ operations for carriage and supply of electric power. The Promoter will not provide infrastructure for supply of power for undertaking construction activity by the Allottee.

The Allottee at its own cost and its discretion may procure power from State Grid or set up own diesel generator sets (DG sets). In case of power supply from State

Grid, the Allottee shall pay the necessary usage charges to the State Grid or any other power utility company for consumption of electricity. In case DG sets are used, the Allottee shall take all approvals for running of DG sets for power generation as permitted in law.

(b) Water Supply

The Promoter has procured the relevant permission and approval in relation to the provision of the surface water as well as extraction of ground water. Provided that during the construction stages, the Promoter will not provide or arrange for any water required for construction activities, and the same would have to be arranged for by the Allottee or its construction agent for itself.

Subject to the foregoing, the Promoter will provide water supply to the Allottee at the battery limits of the Plot and the Allottee will pay the user charges for such supply. The surface water supply will be treated by the Promoter and meet the applicable Government standards.

The Promoter shall bear the capital expenditure towards extraction of un-treated ground water, as an interim measure, and such water shall be supplied at per unit basis for use at the cost of the Allottee, till such time surface water is provided by the Promoter for the permissible use only. The Allottee will carry out any further treatment of water as per its own specifications and make necessary arrangements for storage of water within its premises at its own cost and expense.

Provided that in the event the Promoter is unable to extract ground water on account of any regulatory restriction or the approval being rejected, the Promoter shall provide alternative source of water, at Allottee's option and cost, as soon as practically possible.

In case the Allottee desires to have water supply limit more than the limit as calculated based on the plot wise norms as prescribed, it shall pay the extra cost, as determined by the Promoter, for such excess limit.

(c) Treatment of Waste water and Solid waste management

The Allottee is under an obligation to install its own waste water treatment plant to treat all the waste water generated by it and recycle the same after the required treatment, as per conditions of the approval issued by the Haryana State Pollution Control Board (**HSPCB**).

The Allottee can discharge the waste water into the external sewer connected at the battery limits of the Plot only after undertaking the treatment of the waste water as per the limits prescribed by the Promoter, and further subject to the conditions that: (a) Allottee shall segregate the sewage, i.e., waste water generated by human consumption/ activities and effluent, i.e., chemical waste generated during the various processes of production within the premises; and (b) the Allottee will pretreat the effluent/ sewage before discharging the same into the external sewer, in order to bring down the characteristics of the effluent to the inlet quality parameters as prescribed by HSPCB/ CPCB/ MOEF based on the type of industry; and (c) the Allottee will take the treated waste water, in proportion to the treated water supplied to the Allottee by the Promoter for non-potable / process use.

The Allottee shall pay the user charges, levied by the Promoter or a service provider authorized by the Promoter, at the rates specified by the Promoter, for

waste water collection and supply of treated waste water, conveyance, treatment, and disposal in proportion to the quantity of waste water discharged by it.

The Allottee shall undertake disposal of hazardous/solid waste at its own cost as per applicable Government standards and in accordance with the environmental permissions obtained by it and shall not dispose of the same in sewage system in colony.

The Allottee hereby agrees to indemnify, keep indemnified and hold harmless the Promoter for any failure on part of the Allottee to treat its effluent/ waste/ discharge and against any proceedings which may be initiated against the Promoter due to any such failure or non-compliance by the Allottee.

(d) Data Connection

The Promoter has an arrangement with Reliance Jio Infocomm Limited (**Jio**) to be the service provider for broadband, voice and data connectivity within the Project. The Allottee can seek connectivity from Jio and pay to Jio the requisite charges for such connectivity and the user charges for the services.

In case the Allottee desires to take data connectivity from an alternate service provider then the Promoter will charge right of way charges for laying of the requisite cables or towers for such connectivity from the service provider.

13. DEFECT LIABILITY:

The Parties agree that this Agreement is intended for the sale of the Plot with certain infrastructure facilities and other services. It is agreed that in case of any major structural defect in the aforesaid infrastructure facilities and other services or the obligations of the Promoter as per this Agreement relating to such development, which is causing direct loss to the Allottee, is brought to the notice of the Promoter within a period of 5 (five) years by the Allottee from the date of handing over of possession, it shall be the duty of the Promoter to rectify such structural defects without further charges, within a period of 90 (ninety) days. In the event of Promoter's failure to rectify such structural defects within such time, the aggrieved Allottee shall be entitled to appropriate compensation in the manner as provided in the Act.

Provided that the Promoter shall not be liable to any such structural, architectural and other defects induced, directly or indirectly by the Allottee or any other person, other than duly authorized by the Promoter, by means of carrying out any changes or works thereon.

14. RIGHT TO ENTER THE PLOT FOR REPAIRS AND MAINTENANCE WORKS:

The Allottee shall permit officials of the Promoter/ maintenance agency/ Competent Authority to enter the Plot to ascertain that construction has been raised as per sanctioned plan and in accordance with applicable statutory provisions and to further ensure that the Plot is being used in conformity with the terms of this Agreement and the Sale Deed and/or the then applicable permitted use during the business hours and prior written intimation to the Allottee in respect thereof, unless the circumstances warrant otherwise.

15. USAGE:

The Allottee covenants to use the Plot only for the Purpose in accordance with the

terms and conditions agreed in this Agreement and the Sale Deed in respect thereof, which Sale Deed shall permit the Allottee to carry on such business as may be suitable for achieving the Purpose.

16. GENERAL COMPLIANCE WITH RESPECT TO THE PLOT:

- 16.1 The Allottee shall, after taking possession, be solely responsible to maintain the Plot at its own cost, in good repair and condition and shall not do or suffer to be done anything in or to the Plot which may be in violation of any laws or rules of any authority, do not create nuisance to other plots owners in the Project, or change or alter or make additions to the Plot and keep the Plot, its walls and partitions, sewers, drains, pipe and appurtenances thereto or belonging thereto, in good and tenantable repair and maintain the same in a fit and proper condition and ensure that the support, shelter, etc., of the neighbouring plots is not in any way damaged or jeopardized.
- 16.2 The Allottee further undertakes, assures and guarantees that it would abide by the terms and conditions of the Development Control and Services Guidelines issued by the Promoter from time to time in its letter and spirit, including for the use of common areas, use of the Plot for putting up any sign boards/ publicity material, etc. Further, the Allottee shall not store any hazardous or combustible goods in the Plot or place any heavy material in the common areas without the approval of Promoter/association of allottees/Competent Authority, as the case may be. The Allottee shall ensure that it will not create any hindrance by way of locking, blocking, parking or any other manner in right of passage or access or common areas which otherwise are available for free access. The Allottee shall also not remove any wall, including the outer and load bearing wall of the Plot.
- 16.3 The Allottee shall plan and distribute its electrical load in conformity with the electrical systems installed by the Promoter.
- 16.4 The Allottee shall be responsible for any loss or damages arising out of breach of any of the aforesaid conditions.

17. COMPLIANCE OF LAWS, NOTIFICATIONS ETC. BY PARTIES:

The Parties are entering into this Agreement for the allotment of a Plot with the full knowledge of all laws, rules, regulations and notifications that is applicable to them and those that are related to the Project.

18. BINDING EFFECT:

- 18.1 Mere forwarding this Agreement to the Allottee by the Promoter, does not create a binding obligation on the part of the Promoter or the Allottee until, firstly, the Allottee signs and delivers this Agreement with all the schedules and annexures within 30 (thirty) days from the date of receipt of the Agreement by the Allottee. Secondly, the Allottee and the Promoter have an obligation to also register this Agreement as per the provisions of the relevant Act/ Rule of the State.
- 18.2 If the Allottee fails to execute and deliver to the Promoter this Agreement within 30 (Thirty) days from the date of its receipt by the Allottee and further execute and register this Agreement, as per intimation by the Promoter, then the Promoter shall serve a notice to the Allottee for rectifying the default, which if not rectified within 60 (sixty) days from the date of its receipt by the Allottee, or the Allottee does not come forward to execute and register this Agreement or is incapable of executing the same, in such

a case, the provisional allotment of the Plot to the Allottee shall be treated as cancelled and ten percent of the Booking Amount shall be forfeited by the Promoter.

19. ENTIRE AGREEMENT:

This Agreement, along with its recitals, annexure and schedules constitutes the entire binding Agreement between the Parties with respect to the subject matter hereof and supersedes any and all prior understandings, any other agreements, allotment letter, correspondences, arrangements whether written or oral, if any, between the Parties in regard to the Plot.

20. RIGHT TO AMEND:

This Agreement shall only be amended through written consent of the Parties concerned in this Agreement.

21. PROVISIONS OF THIS AGREEMENT APPLICABLE ON ALLOTTEE(S)/ TRANSFEREE(S):

It is clearly understood and so agreed by and between the Parties hereto that all the provisions contained herein and the obligations arising hereunder in respect of the Plot, Project and MET shall equally be applicable to and enforceable against and by any transferee(s) of the Plot, as referred to in clause 8.2 (n) above in case of a transfer, as the said obligations go along with the Plot for all intents and purposes.

22. WAIVER NOT A LIMITATION TO ENFORCE:

- 22.1 The Promoter may, at its sole option and discretion, without prejudice to its rights as set out in this Agreement, waive the breach by the Allottee in not making payments as per the Payment Plan including waiving the payment of interest for delayed payment. It is made clear and so agreed by the Allottee that exercise of discretion by the Promoter in the case of one Allottee shall not be construed to be a precedent and /or binding on the Promoter to exercise such discretion in the case of other Allottee.
- 22.2 Failure on the part of the Parties to enforce at any time or for any period of time, the provisions hereof shall not be construed to be a waiver of any provisions or of the right thereafter to enforce each and every provision.

23. SEVERABILITY:

If any provision of this Agreement shall be determined to be void or unenforceable under the Act or the Rules and regulations made thereunder or under other applicable laws, such provisions of the Agreement shall be deemed amended or deleted in so far as are reasonably inconsistent with the purpose of this Agreement and to the extent necessary to conform to Act or Rules and regulations made thereunder or the applicable law as the case may be, and the remaining provisions of this Agreement shall remain valid and enforceable as applicable at the time of execution of this Agreement.

24. METHOD OF CALCULATION OF PROPORTIONATE SHARE WHEREEVER REFERED TO IN THE AGREEMENT:

Wherever in this Agreement it is stipulated that the Allottee has to make any payment, in common with other allottees in the Project/Licensed Industrial Colony, the same

shall be the proportion which the area of the Plot bears to the total area of saleable plots in the Project/ Licensed Industrial Colony.

25. FURTHER ASSURANCES:

Both Parties agree that they shall execute, acknowledge and deliver to the other such instruments and take such other actions, in additions to the instruments and actions specifically provided for herein, as may be reasonably required in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.

26. PLACE OF EXECUTION:

The execution of this Agreement shall be complete only upon its execution by the Promoter through its authorized signatory at the Promoter's Office, or at some other place, which may be mutually agreed between the Promoter and the Allottee. After the Agreement is duly executed by the Allottee and the Promoter, the said Agreement shall be registered as per provisions of the State of Haryana.

27. NOTICES:

30. GOVERNING LAW:

That the rights and obligations of the Parties under or arising out of this Agreement shall be construed and enforced in accordance with the Act, Rules and regulations made thereunder including other applicable laws prevalent in the State of Haryana for the time being in force.

31. DISPUTE RESOLUTION AND JURISDICTION:

- 31.1 In the event of any dispute or difference between the Parties arising out of or in connection with terms and conditions of this Agreement, including the interpretation and validity of the terms thereof and the respective rights and obligations of the Parties, the Parties hereto shall use their best efforts to resolve such dispute or difference amicably by mutual negotiations. All disputes arising in connection with this Agreement shall be referred to respective CEOs (or persons occupying similar position or authority) of each of the Parties who shall discuss and settle the disputes in good faith within 30 (thirty) calendar days from the date of reference of such dispute.
- 31.2 If the dispute as referred to above is still not resolved, it shall be referred to and settled through the Adjudicating Officer appointed under the Act/Rules.
- 31.3 This Agreement shall be subject to Indian laws and Courts of Jhajjar, Haryana shall have absolute jurisdiction thereon.

32. RELATIONSHIPS:

- (a) No provision of this Agreement shall be deemed to constitute a partnership or joint venture between the Parties.
- (b) No provision of this Agreement shall constitute either Party as the legal representative or agent of the other, nor shall either Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, or in the name of, or on behalf of the other Party.
- (c) No person employed by either Party for the performance of its obligations under this Agreement shall be deemed to be an employee of the other Party. Each Party

shall be responsible for the payment of all salaries, employment benefits, etc., with respect to all persons who are engaged by it for the performance of any obligations under this Agreement and such person shall not be entitled to any salary benefit or any other claim whatsoever from or against the other Party. Each Party shall indemnify the other against any such claims made by any such person to or against the other Party.

- (d) No provision of this Agreement shall be construed as a present demise or transfer of Plot or any part thereof.

33. CONFIDENTIALITY:

The Parties agree that save and except with the prior written consent of the other Party:

- (a) the confidential information shall be kept strictly confidential and shall not be disclosed to any of its directors, officers, employees, advisors, except on a 'need to know' basis;
- (b) in the event of termination or expiry of this Agreement, the Parties shall not issue any adverse communication in public relating to the termination or expiry of this Agreement without prior written consent of the other party;
- (c) the Parties shall not disclose the confidential information to any third party unless such third party undertakes to hold information disclosed to it by the disclosing Party, subject to obligations of confidence equivalent to those set out in this Agreement; and
- (d) the Parties will not make any announcement/ declaration and disclosures of having entered into this Agreement or any other agreement to be entered into subsequently, or any incidental or connected event thereto on their websites or otherwise without prior written consent of the other Party

34. MISCELLANEOUS:

- (a) Each Party shall bear its own legal and other expenses incurred in connection with the negotiations and discussions under this Agreement including but not limited to this Agreement and the Sale Deed.
- (b) This Agreement shall remain in force unless terminated in accordance with the provisions of this Agreement or upon execution and registration of the Sale Deed except those provisions in this Agreement which are specifically agreed to survive even after the expiry/ termination of this Agreement. It is clearly understood by the Parties that the rights and obligations of the Parties in this Agreement shall be suitably incorporated into the Sale Deed. The Parties also acknowledge and agree that Clauses 27 (*Notices*), 31 (*Dispute Resolution and Jurisdiction*), and 33 (*Confidentiality*) would survive after expiry or termination of this Agreement.
- (c) This Agreement may be executed in more than one counterpart, all of which shall be considered one and the same Agreement and each of which shall be deemed as original of this Agreement.
- (d) Notwithstanding anything to the contrary contained in this Agreement, in no event shall any Party, its officers, employees or agents be liable to the other Party for any matter arising out of or in connection with this Agreement in respect of any indirect or consequential loss including loss of profit, suffered by such other Party.

3. SALE CONSIDERATION AND CONVEYANCE OF THE PLOT

- 3.1 In accordance with the terms and conditions contained in this Sale Deed and in consideration of the Buyer having paid a sum of Rs. _____/- (Rupees _____ only) after deduction of tax at source under section 194 IA of the Income Tax Act, 1961, on total price of Rs. _____/- (Rupees _____ Only) (“Sale Consideration”) to the Seller, calculated at the rate of Rs. _____/- (Rupees _____ only) per square meter, the Seller hereby grants, conveys, sells, transfers and assigns unto the Buyer the absolute and complete ownership of the Plot on “as is where is” basis, together with all rights, title, interest, liberties, easements, privileges and advantages thereto.
- 3.2 The Buyer hereby acknowledges that the Buyer after having made site visit(s) to the Plot, carried out its own investigations as to the physical condition of the Plot (including its size, measurement, government demarcation, layout, dimensions and any other specifications or physical characteristics thereof and any other details / data whatsoever) and also after completing the due diligence of the Plot to confirm that the Seller is the owner of the Plot and no third party has any rights over the Plot or the title thereto as contemplated in the Agreement For Sale, including having examined and verified the original title deed(s)/ documents pertaining to the Plot (“**Due Diligence**”), and after having fully understood and evaluating such documents, the Buyer has found the Plot to be suitable for the Purpose and in order, and has satisfied itself in regard to the Plot and thereafter has purchased the Plot in the Project.
- 3.3 The Sale Consideration has been paid by the Buyer to the Seller prior to the execution of this Sale Deed, the receipt of which the Seller hereby acknowledges.

- 3.4 Pursuant to payment of Sale Consideration, the actual peaceful, vacant and physical possession of the Plot has been handed over by the Seller to the Buyer and the Buyer acknowledges and confirms that the Buyer has taken the physical, vacant and peaceful possession of the Plot before execution of this Sale Deed after having the same demarcated on site to the satisfaction of the Buyer. The Buyer has executed this Sale Deed after physical examination of the prevailing conditions of the Plot to its satisfaction and the Seller shall not be responsible either for earth filling or levelling of the Plot at road level in any manner whatsoever.

4. COMPLIANCE OF LAW RELATING TO REMITTANCES

- 4.1 The Buyer, if residing outside India, shall be solely responsible for complying with the necessary formalities as laid down in Foreign Exchange Management Act, 1999, Reserve Bank of India Act, 1934 and the Rules and Regulations made thereunder or any other statutory amendment(s) modification(s) made thereof and all other applicable laws including that of remittance of payment acquisition/ sale/ transfer of immovable properties in India, etc., and provide the Seller with such permission, approvals which would enable the Seller to fulfil its obligations under this sale deed. The Buyer understands and agrees that in the event of any failure on his/ her part to comply with the applicable guidelines issued by the Reserve Bank of India, it may be liable for any action under the Foreign Exchange Management Act, 1999 or other Applicable Laws, as amended from time to time.
- 4.2 The Seller accepts no responsibility in regard to matters specified in Clause 4.1 above. The Buyer shall keep the Seller fully indemnified and harmless in this regard.
- 4.3 The Seller shall not be responsible towards any third party making payment/ remittances on behalf of the Buyer and such third party shall not have any right on the said Plot in any way and the Seller shall be issuing the payment receipts in favour of the Buyer only.

5. COMMON AREA MAINTENANCE CHARGES

- 5.1 The area consisting of the Plot is a part of the Project/ Licensed Industrial Colony and has to be maintained by the Seller or any other entity on its behalf, duly authorized by the Seller till the common area and is handed over to the association of allottees or the competent authority, as the case may be. The Buyer acknowledges and agrees to pay the applicable maintenance charges which will, inter alia, include the Common Areas and Facilities to be enjoyed by all the plot holders/ occupants in the Project/ Licensed Industrial Colony. The Seller shall be entitled to levy maintenance charges for Common Areas and Facilities to be developed as a part of Project/Licensed Industrial Colony and the Buyer shall pay maintenance charges so levied by the Seller.
- 5.2 The Buyer shall enter into an agreement for maintenance of common areas with the Seller or its nominee, as may be appointed by the Seller from time to time for the maintenance and upkeep of the common area and facilities in the Project/Licensed Industrial Colony, under which the Seller, as a developer of the Project/Licensed Industrial Colony, would publish the maintenance charges payable by the Buyer from time to time. The Buyer hereby agrees and undertakes to pay the maintenance charges for the Plot, as demanded by the Seller with effect from date of commencement of common area maintenance services or the date of conditional offer of possession/ offer of possession/execution of Sale Deed (whichever is earliest), whichever is later, at the rates fixed by the Seller from time to time.

- 5.3 The Buyer acknowledges and agrees that a sum equivalent to common area maintenance charges for three quarters is payable/to be deposited on account of Interest Free Maintenance Security Deposit (“**IFMSD**”) before taking over possession of the Plot and execution of this Sale Deed. The Buyer further acknowledges and agrees that the IFMSD amount payable by the Buyer shall be entrusted/ transferred by the Seller to the account of the association of allottees/ Competent Authority at the time of handing over of the common areas to the association/ Competent Authority after adjusting dues of the Buyer, if any.
- 5.4 It is further agreed by the Parties that the maintenance services and facilities will initially be provided by the Seller as per the Development Control and Services Guidelines, and maintenance charges, as fixed by the Seller, for the same will be paid by the Buyer. As and when certain maintenance services are provided by the Competent Authority, the Parties will review the maintenance charges payable by the Buyer for the services rendered by the Seller thereafter.

6. INFRASTRUCTURE AND ENVIRONMENT

- 6.1 The Seller has the approval of the Government for drawl of surface water as well as to extract the ground water. The Seller is developing the complete infrastructure to draw the water, transport to its Licensed Industrial Colony/Project, distribution network to supply the water as well as collect waste water, treat and supply the treated waste water to the Buyer. The Buyer undertakes to pay the user charges for such supply of fresh water, treatment of waste water and supply of treated waste water at the rates decided by the Seller. In case the Buyer desires to have water supply limit more than the limit as calculated based on the plot wise norms as may be prescribed by Government/Seller from time to time, it shall pay the extra cost in advance to the Seller as determined by the Seller for such excess limit.
- 6.2 The Seller is developing common electrical infrastructure in its Licensed Industrial Colony (MET) as per electrification plan approved by Uttar Haryana Bijli Vitran Nigam (UHBVN). Seller will construct/has constructed electric sub-stations along with other electrical infrastructure and distribution network, which will be handed over/has been handed over to UHBVN for providing electricity directly to the occupants in Licensed Industrial Colony. UHBVN will give the required connections to provide electricity supply to the occupants as per its terms & conditions, and shall raise bills for consumption charges directly to the occupants in MET and occupants/users shall pay such charges directly to UHBVN. If Buyer plans to change/enhance/augment its electrical load in future, it may do so directly with UHBVN and pay necessary charges as applicable directly to UHBVN. The Seller will not be responsible for any such change/enhancement/augmentation.
- 6.3 The Seller shall provide requisite infrastructure at a single point at the boundary of the Plot, on or before the Buyer commences production/ operations for supply of electric power. The Seller will not provide infrastructure for supply of power for undertaking construction activity by the Buyer.
- 6.4 The Buyer at its own cost and its discretion may procure power from State Grid or set up own diesel generator sets (DG sets). In case DG sets are used, the Buyer shall take all approvals for running of DG sets for power generation as permitted in law.
- 6.5 The Seller will be providing and/or has made arrangements for provision of other infrastructure services on a specific ‘use based charge’ or ‘pay and use principle’ to the Buyer, which shall not be considered as a part of Common Facilities. The Buyer agrees to pay the separate service charges for such infrastructure services as and

when availed at the rates fixed by the Seller from time to time.

- 6.6 The Seller shall endeavour to provide motorable approach road from SH-15 A to the entry gate of the Plot before the commencement of construction over the Plot by the Buyer and other infrastructure facilities as mentioned herein before commencement of production/ operations of the Buyer on the Plot.

7. TRANSFER OF THE PLOT

- 7.1 In the event that the Buyer intends to sell, lease, convey, assign and/or transfer the Plot ("**Transfer**") to a third party or Person ("**Transferee**"), it will seek prior written permission of the Seller (which will not be unreasonably withheld) and subject to payment of transfer fee at the rate of 5% (five percent) of the prevailing price of the Plot, based on the last transaction executed by the Seller for a similar plot or by any other party for similar plot within the Project, whichever is more. Such transfer fee shall be payable in case the Buyer has yet not completed construction of at least 25% of permissible FAR and not commenced production/ operations of its industrial unit on the Plot. Subject to above, such permission will be deemed to have been provided unless the Seller communicates its objection within a period of 30 (thirty) days from the date of submission of the application seeking such permission along with requisite transfer charges by Buyer to the Seller. The Buyer at the time of issuing such intimation to the Seller regarding the proposed Transfer of the Plot, and before entering into any deal/transaction, shall provide a certificate confirming/ undertaking to ensure compliance with each of the following conditions:

- (a) That the Buyer has paid all its dues on account of charges for maintenance of Common Areas and Facilities, all charges for provision of services, interest for delayed payments, other amounts payable etc. to the Seller including any Government Charges and/ or claims on the Plot till the date of such Transfer;
- (b) That the Transferee has agreed and has undertaken to be bound by the terms and conditions, including but not limited to, all the obligations of the Buyer, as contemplated under this Sale Deed and as per the License and other approvals granted to the Seller;
- (c) Further, the Buyer shall have affirmed that the activity proposed to be carried out on the Plot by the Transferee conforms with the permissible use of the Plot, as per the License granted to the Seller and shall not violate the conditions contained in the License and other approvals and/or shall not cause any nuisance to the neighbours and other occupants of the Industrial Colony;
- (d) That the Transferee shall execute all the requisite agreements, which have been executed by the Buyer, in the same form and content as executed by the Buyer, including but not limited to the sale deed, common area maintenance agreement, water supply and services agreement etc., and further agrees to pay all charges as stipulated and agreed under each of these agreements.

8. CHANGE OF PURPOSE

- 8.1 The Buyer may change the Purpose at any stage with the prior written permission of the Seller and on such terms and conditions as may be imposed by the Seller in its sole and absolute discretion provided that such change falls within the permissible activities for the Plot, as per License and other approvals including the environment clearances, approvals, etc., granted to the Seller and further, such new purpose shall not cause any nuisance to the neighbours and other occupants of the Industrial Colony.

Such permission by the Seller will be subject to commercial terms as mutually agreed between the Parties.

- 8.2 While providing permission for any such change of Purpose, factors such as levels of pollution, water consumption, discharge of trade effluent(s), availability of requisite infrastructure facilities in the Industrial Colony to meet the proposed project parameters, etc., shall be considered by the Seller subject to levy of additional infrastructure service charge for increased infrastructure requirement arising out of changed purpose. However, obtaining of requisite approvals (and payment of applicable charges), if required, from any Competent Authority and compliance with Applicable Laws and norms shall be the sole responsibility and obligation of the Buyer.

9. PERMISSIBLE USE OF THE PLOT FOR ANCILLARY FACILITIES

- 9.1 The Buyer agrees that the Plot shall be exclusively used for the Purpose only as hereto above stated and agreed to between the Parties and the Plot shall not be used for any commercial, residential, or institutional use.
- 9.2 Subject to the foregoing Clause 9.1, the Buyer may utilize the permissible covered area for certain subsidiary facilities, such as cafeteria, canteen, gym, etc., for the captive use of the employees working in such industrial unit subject to compliance with Applicable Laws.

10. REPRESENTATIONS, WARRANTIES AND COVENANTS

- 10.1 Each Party hereto hereby assures, covenants, represents, warrants and undertakes to the other, as follows:
- (a) It has full power and authority to execute, deliver and perform this Sale Deed and to carry out the transactions contemplated herein;

The Buyer agrees to indemnify, hold harmless and keep indemnified the Seller from any proceedings or actions which may be taken by a Competent Authority against the Seller due to the Buyer's failure to procure an Applicable Permit or due to the contravention of any Applicable Laws by the Buyer.

11.2 From the Execution Date, all the dues, cess, electricity charges, taxes, maintenance charges, property tax, ground charges, and any other taxes or charges levied by any Governmental Authority, association of allottees or industrial associations, in respect of the Plot, shall be the sole responsibility and liability of the Buyer regardless of the fact that such demand and/or levy and/or charges and/or taxes are raised and/or made in the name of the Seller.

11.3 Payment of Government Charges

11.3.1 Notwithstanding anything contained above, the Parties further agree and acknowledge that the Total Price does not include External Development Charges ("**EDC**") and such other charges and /or increase thereof, as may be levied by the Government (collectively hereinafter referred to as "**Government Charges**") from time to time. The Buyer accordingly agrees and undertakes to pay to the Seller as demanded by Seller all such Government Charges in relation to the Plot as applicable, and all increases thereto, as may be levied by the Government from time to time. Further, the Buyer shall be liable for the payment of any other such Government charges, fees, cess, levies, taxes, payments for the Plot, which are to be normally paid/payable by a buyer or recoverable from a buyer as per the applicable laws or as per the prevailing market practice at any time. It is made abundantly clear that all Government Charges are solely to the account of the Buyer and the Seller shall have no liability in this regard;

11.3.2 It is also made clear to the Buyer that such Government Charges may be levied by Government of Haryana from prospective or retrospective effect from date of license and in the event the Seller shall demand from the Buyer to pay such charges in proportion of the area of the Plot bears to total area of the licensed colony as explained in para 11.4 hereinafter mentioned;

- 11.3.3 Further, it is made known to the Buyer that Government of Haryana may also levy other charges at any stage including on the completion of the Licensed Industrial Colony or thereafter, the demand of which will be raised by the Seller and the Buyer undertakes to pay the same. In the event the Seller pays any Government Charges for the Plot, the Buyer will make good such payments to the Seller within a period of 30 (thirty) calendar days failing which the Seller will be entitled to an interest on such amounts, calculated at 15% (fifteen percent) per annum, compounded on quarterly rest;
- 11.3.4 In the event the Seller has to provide any bank guarantee/ indemnity to a Government Authority in respect of Government Charges mentioned in this Clause in relation to the Plot, the Buyer, shall furnish such bank guarantee/ indemnity within a period of 15 (fifteen) days from the date of notice from the Seller. In the event such bank guarantee is furnished by the Seller to the Government Authority for the Plot, the Buyer shall provide a bank guarantee for an equivalent amount in favour of the Seller, within a period of 15 (fifteen) days from the date of notice from the Seller. Upon being given a notice to comply with the terms within a stipulated time, if the Buyer fails to comply with the provisions of this Clause within the stipulated time, then any interest, default interest, fines or penalties that are charged/demanded from the Seller by such Competent Authority or cost of any legal proceedings which may be taken by such authority against the Seller shall be to the account of and payable by the Buyer to the Seller;
- 11.3.5 This undertaking by the Buyer shall always survive the conveyance of the Plot in favour of Buyer and further sale/transfer by the Buyer in favour of a Transferee. The Buyer recognizes that such demand when made will constitute unpaid Price and agrees that even if such demand is made by the Seller after sale deed is executed in favour of Buyer, the Seller shall have lien on the Plot to the extent of such unpaid Price and the Buyer undertakes not to object to the Seller resuming the Plot or taking any legal action to recover such unpaid Price from Buyer;
- 11.3.6 In the event the Buyer fails to fulfil any of its obligations in terms of Clause 11.3 of this Sale Deed then, the Seller shall have the following rights:
- (a) the Seller shall have first charge over the Plot and any superstructure thereon, to be recoverable either by enforcing the charge or from out of the sale proceeds of the Plot, as the case may be;
 - (b) the right to suspend the infrastructure services for the Plot, at the cost and consequences of the Buyer; and
 - (c) Any other legal recourse or remedy available to the Seller.
- 11.4 The Buyer further agrees that as and when the Seller is required to pay such Government Charges then the Seller shall demand, and the Buyer undertakes to pay the same proportionately in the manner in which the area of the Plot bears to the total area of the Industrial Colony, on which such Government Charges have been either demanded or paid, as calculated by the Seller on gross area basis. For the purpose of clarity, EDC and/or any Government Charges shall be payable by the Buyer and will include the additional charge for common area as and when demanded by the Competent Authorities. The amount payable by the Buyer will thus be: amount payable / (1 - x). Where 'x' stands for the percentage of the land used for common area development as per the last approved layout plan.

- 11.5 The Buyer shall, at all times, comply with all conditions as envisaged in the License granted by DTCP for the Licensed Industrial Colony.
- 11.6 The Buyer has seen and understood the site and scheme of development, approved layout plans/ environment clearance approvals/ other licenses, approvals and documents. The Buyer is also aware that the Project is planned to be developed by the Seller in accordance with the layout plan sanctioned by the Competent Authority, which may be changed from time to time by the Competent Authority. Further, the Buyer understands and acknowledges that there are other's land parcels situated within and adjacent to the layout plan area, which may be acquired by the Seller for the purposes of coherent, comprehensive and contiguous development and will thus require revision of the layout plan of the Licensed Industrial Colony subsequent to obtaining license for such additional area. The Buyer acknowledges that the Seller may also make such additions or alterations as may be required by Buyer, or such changes or alterations as per the provisions of the Act and Rules made thereunder or as per approvals/ instructions/ guidelines/ regulations of the competent authorities. Considering all the above circumstances, Buyer hereby confirms that it shall have no objection if the Seller makes suitable and necessary alterations in the layout plan of the Project, if necessary for better planning of the layout of the Project and/or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to the Project, de-license of some area, change in the planned road network, common areas, change in the identification number of the Plot, and subject to mutual consent, change in the access, change in location of Plot, dimensions or area of the Plot, etc. Subject to the above, the Buyer agrees to inform the Seller or the Competent Authority in writing, its consent or objections to the changes within 30 (thirty) days from the date of intimation of such changes in the layout plan provided by the Seller to the Buyer failing which it shall be deemed to have given its consent to such alterations/ modifications.
- 11.7 The Buyer undertakes in relation to the Plot to ensure that it will strictly abide by all norms and conditions of the zoning plan/layout plan/building plan, notifications, rules, bye-laws and/or any other Applicable Permits, like license/ environment clearance, etc., granted by the Competent Authority(ies) in respect of the Plot, Project and, or the Licensed Industrial Colony, as may be applicable/ revised from time to time and agrees to comply with any other condition as notified by a Governmental Authority for the Licensed Industrial Colony, from time to time. The Buyer shall not cause any nuisance for the other occupants of the Licensed Industrial Colony and/or the Seller. The approval of the building plan(s), occupation certificate, etc., shall be at the sole costs and responsibility of the Buyer and the Seller shall have no obligation in the same whatsoever. The Buyer shall submit a copy of the approved building plan with the Seller before starting of any construction work at the Plot. In the event of non-compliance of any conditions of the zoning plan/layout plan/building plan, notifications, rules, bye-laws and/or any other Applicable Permits, the Buyer alone shall be responsible for all penalties, costs, consequences and legal proceedings by any Competent Authority. The Buyer agrees to indemnify, hold harmless and keep indemnified the Seller from any proceedings or actions which may be taken by a Competent Authority for the Buyer's failure to comply with the terms and conditions of any Applicable Permit.
- 11.8 The Buyer agrees to ensure compliance with all Applicable Laws (including obtaining the required approvals and pay the respective charges for the same) while carrying out its operations on the Plot and abide by all norms and conditions of license, zoning plan, notifications, rules, bye-laws and/or any other Applicable Permit. The Buyer shall construct its facility on the Plot and maintain the open areas, green areas, ground coverage, Floor Area Ratio (FAR), Floor Space Index (FSI), in accordance with the

Applicable Laws, after obtaining all necessary approvals for establishing an industrial unit, including site and building plan, and environment approvals and pay the respective charges for the same and will comply with all the conditions as envisaged in the license for Industrial Colony granted by DTCP.

11.9 The Buyer understands that the Seller is undertaking development of the Industrial Colony as per the terms of the License received by it within the purview of the Haryana Development and Regulations of Urban Areas Act, 1975, and the rules thereunder and the policies of the Government of Haryana, as applicable and as amended, from time to time. The Buyer agrees and undertakes to construct a minimum of 25% (twenty five per cent) of the permissible FAR of the Plot and shall commence production/commercial operations of the proposed industrial unit on the Plot within a period of 4 (four) years from the date of the Provisional Allotment Letter dated _____. In the event that the Buyer is of the view that it would not be able to achieve such construction/ operationalization, within the aforesaid time period, it shall promptly inform the Seller thereof and the Seller and the Buyer shall negotiate in good faith about the possible counter measures. The Seller may at its sole discretion, and after satisfying itself regarding the bonafides of the Buyer (considering the prevailing circumstances as well as the difficulties faced by the Buyer and also actual progress made by the Buyer in this regard), the status of construction work undertaken by the Buyer, consider granting maximum of 2 (two) extensions of 1 (one) year each, provided such extension (s) together will not exceed total period of 2 (two) years, subject to Buyer making payment of the extension fee calculated at the rate of Rs.500/- (Rupees Five Hundred only) per square meter area of Plot for the first extension of 1 (one) year or part thereof and at the rate of Rs.1,000/- (Rupees One Thousand only) per square meter area of Plot for the second extension of 1 (one) year or part thereof. If the Buyer fails to inform the Seller, apply for the extension and, or pay the applicable extension fee or perform its obligations with respect to such counter measures within 30 (thirty) days upon the expiry of the said period, the Buyer shall re-convey the Plot to the Seller, upon first demand by the Seller and at the option of the Seller, at 80% (eighty per cent) of the Sale Consideration. The Buyer shall, without any protest, demur or cavil, pay the requisite stamp duty, registration charges and other incidental costs incurred on such re-conveyance to the Seller and shall take all further actions and steps necessary to carry out the re-conveyance of the Plot in favour of the Seller.

11.10 The Buyer in relation to the Plot further undertakes the following:

- (a) It shall take necessary measures for undertaking primary treatment of sewerage/ effluents generated by it to comply with the specifications prescribed by the Buyer/Competent Authorities before discharge/ disposal of effluents/ sewage and the Buyer shall also make arrangements for disposal of sewerage in the external sewerage system established by the Buyer as per the State and Central Government environmental norms. The Buyer shall pay for the treatment charges levied by the Seller for treatment of such effluent/ sewage generated by the Buyer to meet the requirements of recycled water/ for final disposal into a public drain as per applicable laws;
- (b) It shall undertake solid waste /municipal waste management/ building and construction waste management measures as may be directed by the Haryana State Pollution Control Board/ local authorities for the Plot;
- (c) It shall carry out installation of a Solar Photovoltaic Power Plant as per provisions contained in the notification No. 22/52/2005-5 power dated September 3, 2014 or any other directions, notifications as may be applicable and, or as applicable from

time to time, pursuant to the directions of the Renewable Energy Department, Government of Haryana;

- (d) It shall comply with any other condition as notified by Haryana Government/ Government of India for the Licensed Industrial Colony of the Buyer as deemed necessary from time to time;
- (e) It shall not encroach upon any revenue rasta falling in the Licensed Industrial Colony;
- (f) It shall make sufficient arrangement for rainwater harvesting system and re-charging of the ground water table to minimize water run-off in the Plot as per Central Ground Water Authority/ Haryana Government norms/ as applicable from time to time; and
- (g) It shall make sufficient provision of light emitting diode (LED) fittings for internal lighting as well as for campus lighting in the complex.

11.11 The Buyer acknowledges and understands that the Competent Authority and, or statutory authorities, at times requires information pertaining to performance and development of the industrial areas to be reported and in order to support the purpose of projecting the Industrial Colony in its ability to contribute to the industrial growth in the State/Country. Accordingly, the Buyer shall file a periodic/ annual information report with the Seller with regard to the performance of the Buyer's unit/ business on the Plot, such as the annual turnover, export turnover, employment in the unit, taxes paid, products manufactured, etc., in the prescribed format of the report as provided by the Seller, which may be amended from time to time.

11.12 If any damage is caused to the Common Areas and Facilities in the Licensed Industrial Colony on account of any act, negligence or default on part of the Buyer or his employees, agents, servants, guests, or invitees, the Buyer shall solely be liable and responsible for the consequences thereof, including the obligation to pay for the rectification of loss and/ or damage caused, as may be levied by the Seller or the Association of Buyers or the Maintenance Agency or the competent authority, as the case may be.

11.13 The Buyer shall permit the Seller and/or its agents to enter into the Plot to ascertain that the Plot is being used in conformity with the terms and conditions of this Sale Deed and/or the then applicable permitted use. Such inspection by the Seller and/or its agents to the Plot will be conducted only at the business hours of the Buyer and the Seller will give prior intimation to the Buyer of such inspection. The Buyer also recognizes that if such inspection is required by a Competent Authority, then the Buyer shall co-operate and shall not obstruct or prevent such inspection.

11.14 In order to facilitate equal user rights to all plot owners and for the smooth operation and maintenance of the Licensed Industrial Colony from time to time, Seller has put-forth the Development Control and Services Guidelines. The Buyer agrees and undertakes to comply with the Development Control and Services Guidelines, as formulated by the Seller in accordance with Applicable Law, which will be applicable to all occupants of the Industrial Colony.

11.15 Subject to the Applicable Laws, in the event of any conflict with the Development Control and Services Guidelines as formulated by the Seller and this Sale Deed, the terms of this Sale Deed shall prevail.

- 11.16 The Buyer shall at all times take reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or amongst its staff and labour deployed by it, and to preserve peace and protection of persons and property in the neighbourhood, against such conduct.
- 11.17 The Buyer shall not put up its name plate, sign board, neon sign, publicity or advertisement material, notice board, etc., in the common areas in the Industrial Colony. The Buyer shall be entitled to display its name plate only at the designated place on its Plot only.
- 11.18 That the said industrial colony shall always be known as 'Model Economic Township' or in short 'MET' and the said name shall not be changed by the Buyer and / or jointly by the Buyer and other allottees, association of the allottees in the Industrial Colony and the Buyer shall refrain from voting for any such change of name.

12. DEFECT LIABILITY

- 12.1 The Parties agree that this Sale Deed is intended for the sale of the Plot with certain infrastructure facilities and other services. In case of any major structural defect in the aforesaid infrastructure facilities and other services of the Seller as per this Sale Deed relating to such development, which is causing direct loss to the Buyer, is brought to the notice of the Seller by the Buyer, within a period of 5 (five) years from the date of offer of possession/ handover of possession of Plot, it shall be the duty of the Seller to rectify such structural defects without further charges, within a period of 90 (ninety) days. In the event of Seller's failure to rectify such structural defects within such time, the Buyer shall be entitled to payment of appropriate compensation in the manner as provided in the Act subject to credible proof/substitution of the defects attributed to the Seller. Provided that the Seller shall not be liable to any such structural, architectural and other defects induced, directly or indirectly by the Buyer or any other person, other than duly authorized by the Seller, by means of carrying out any changes or works thereon.
- 12.2 Subject to the above, the Buyer acknowledges and confirms that since the Seller is selling the Plot and the Buyer shall construct its industrial unit over the same, the Seller shall not be liable for any structural, architectural and other defects induced arising out of such construction, directly or indirectly.
- 12.3 Provided further that the Buyer shall be solely responsible for structural, architectural and other construction defects and liabilities in relation to its industrial unit, constructed over the Plot by the Buyer. Any defect liability over the industrial unit constructed on the Plot, towards any Transferee, shall always be of the Buyer and the Seller shall not have any liability, of any nature whatsoever, in this regard.

13. TITLE DEFECT

If the whole or any portion of the said Plot is ever threatened to be taken away or goes out from the possession of the Buyer on account of any (i) defect in the ownership and title of the Seller and/ or (ii) encumbrance existing thereon prior to the Sale Deed, then the Seller hereby undertakes and agrees to step in and resolve the issue at its own costs, which issue(s) if not resolved within a reasonable time (not exceeding 12 months), subject to court proceedings, if any, then the Seller shall subject to what is stated herein be liable to pay to the Buyer the proportionate Sale Consideration paid by the Buyer, for the land for which title defect is found, within a period of 60 days thereafter provided the Buyer makes such claims within a maximum period of 5 (five)

years from the date hereof. This indemnity right of the Buyer is sole and exclusive remedy of the Buyer for the matter covered above and such rights are for a maximum period of 5 (five) years from date of execution of this sale deed.

14. GOVERNING LAW AND JURISDICTION

This Sale Deed shall be governed in all respects by the laws of India. The Courts in Jhajjar, Haryana shall have exclusive jurisdiction for all disputes arising out of this Sale Deed.

15. STAMP DUTY AND REGISTRATION FEES

This Sale Deed is executed and registered in accordance with the laws as applicable in the State of Haryana. The entire incidence of the stamp duty and the registration fee, including any other charges related thereto, along with any other cess or surcharge payable thereon, shall be borne exclusively by the Buyer. The Parties shall bear their own legal costs and tax liability.

16. ENTIRE UNDERSTANDING

This Sale Deed, along with all the recitals, schedules and annexures, contains the entire understanding between the Parties and supersedes all prior understandings and correspondence, including the Agreement For Sale, if any, of the Parties, relating to the subject matter of this Sale Deed and any amendments, changes or alterations shall not take effect unless reduced to writing and signed by both the Parties.

3. PROVISION OF COMMON AREA MAINTENANCE SERVICES:

- 3.1 The Parties agree that the Common Area Maintenance Services would be provided by METL or a maintenance agency as may be appointed by METL in the Industrial Colony, till the title of common area is conveyed and handed over to the association of allottees or the Competent Authority, as the case may be on obtaining completion

certificate of Industrial Colony, which are not billed or tolled separately on basis of actual use, and are integral for the operations and maintenance of the Industrial Colony and as are described in greater detail in **Schedule A** to this Agreement.

- 3.2 The Parties further agree that within the overall scope of the Common Area Maintenance Services in **Schedule A**, METL may change the methodology/ technology/ processes involved in provision of these Common Area Maintenance Services to improve the quality/ viability of the said services. For the avoidance of doubt, it is further clarified that METL may modify expand or develop this list of Common Area Maintenance Services pursuant to statutory requirements and/or due to a Change in Law. In the event any material change in the list of services to be provided, other than by virtue of the statutory requirements, or there is a change in the methodology/ technology /processes involved in provision of any of these Common Area Maintenance Services, then METL would inform the Plot Owner regarding the requirements and benefits from such new service including the estimated cost thereof before commencement of the same.
- 3.3 The Plot Owner hereby agrees and acknowledges that: (a) Common Area Maintenance Services shall be provided by METL in the common areas of the Industrial Colony; and (b) METL shall provide the Common Area Maintenance Services either by itself or, at its sole discretion, by way of engaging other maintenance agency (ies)/ contractors, till the title of common area is conveyed and handed over to the association of allottees or the Competent Authority, as the case may be on obtaining completion certificate of Industrial Colony.
- 3.4 In order to facilitate equal user rights to all plot owners and for the smooth operation and maintenance of the Industrial Colony, METL has put-forth the Development Control and Services Guidelines. The Plot Owner agrees and undertakes to comply with the Development Control and Services Guidelines as formulated by METL, which will be applicable to all occupants of the Industrial Colony.

4. PAYMENT FOR COMMON AREA MAINTENANCE SERVICES:

- 4.1 In consideration of METL providing the Common Area Maintenance Services for the Industrial Colony, the Plot Owner agrees to pay Interim CAM Charges from date of execution of the Sale Deed or commencement of common area maintenance services, whichever is later, on a quarterly basis along with the applicable Taxes thereon, which shall be payable latest by 10th day of the first month of every quarter of a financial year upon receipt of the invoice from METL.
- 4.2 The Plot Owner shall also pay an interest free refundable security deposit to METL which shall be equal to the Interim CAM Charges payable for 3 (three) quarters of the year ("**CAM IFRSD**"), to secure the payment obligations of the Plot Owner to METL. In the event of any increase in the Interim CAM Charges, the Plot Owner shall within 30 (thirty) days after being invoiced by METL pay such further amounts as additional interest free refundable security deposit to METL so as to ensure that the CAM IFRSD is equivalent to the Interim CAM Charges payable for 3 (three) quarters of the year, at all times. CAM IFRSD shall be paid/transferred to the account of association of allottees or the Competent Authority, as the case, when the title of common area is conveyed and handed over to them on obtaining completion certificate of Industrial Colony.

- 4.3 METL shall, within 90 (ninety) days from the end of the preceding financial year, notify the Plot Owner of the Actual CAM Charges incurred in respect of the Common Area Maintenance Services, which shall be determined based on the total actual expenses incurred by METL during the course of the relevant financial year. Thereafter the Interim CAM Charge Rate for the current year will be revised accordingly. METL will provide reasonable clarifications that may be required by the Plot Owner with regard to the details of the Actual CAM Charges within a period of 30 (thirty) days after receipt of request for such clarification by the Plot Owner. Provided that any such request for clarification shall not entitle the Plot Owner to delay the payment of the Interim CAM Charges to METL.
- 4.4 It is further agreed by the Parties, as follows:
- (a) If the difference between Interim CAM Charge Rate of the previous year and Actual CAM Charge Rate for the same year, per Clause 4.3 above, is a negative number, the Plot Owner shall pay such deficit amount of the CAM Charges within 30 days of invoice for raised by METL together with the payment of invoice for the subsequent quarter.
 - (b) If the difference between Interim CAM Charge Rate of the previous year and Actual CAM Charge Rate of the current year revised as per Clause 4.3 above, is a positive number, such difference shall be carried forward as a credit and adjusted against the Interim CAM Charge payable by Plot Owner in the immediately following quarter of the year. METL shall issue a statement in this regard to the Plot Owner.
 - (c) Plot Owner shall pay the amount payable as specified in the invoice issued by METL in full.
 - (d) METL shall have a right to deduct any amount due and payable by the Plot Owner, beyond the time period provided in Clause 4.1 and Clause 4.2 hereinabove, along with interest at the rate of 18% (Eighteen Percent) per annum on such amount from the CAM IFRSD.
 - (e) The deduction of the amount payable by the Plot Owner to METL for the CAM Charges shall not relieve the Plot Owner of its obligations to pay METL unless and until the Plot Owner replenishes the CAM IFRSD. The Plot Owner further agrees to replenish the CAM IFRSD within a period of 7 (seven) days from the date on which any deductions are made by METL towards the outstanding dues for the CAM Charges payable by the Plot Owner to METL.
- 4.5 All payments to be made by the Plot Owner under or in connection with this Agreement shall be made through electronic clearing system (ECS), which is to be credited to the designated bank account of METL or paid by cheque, or wire transfer.
- 4.6 In case of delay by Plot Owner in payment of any invoice raised by METL within the due dates as stated above, Plot Owner shall pay interest on such amount of dues payable, for the period of delay after the due date at the rate of 18% (Eighteen Percent) per annum to METL. METL shall have the right to recover such interest from CAM IFRSD and Plot Owner shall be required to supplement the shortfall amount in CAM IFRSD within period of 30 days from date of intimation by METL for such recovery of interest to make it equivalent to three quarter of CAM billing at all times. If the defaults

in making payment by Plot Owner continues beyond a period of 15 (Fifteen) days, METL shall also have a right to withhold/ discontinue the provision of the Common Area Maintenance Services and any / all of the other user paid services till the aforementioned payments and/or any dues on account of Government Charges are received from the Plot Owner, without any further notice. Notwithstanding anything contained herein, METL or maintenance agency, as the case may be, shall have the first charge on the said Plot for the recovery of the aforesaid unpaid amounts (including interest thereon).

- 4.7 The Parties further agree and acknowledge that due to a Change in Law, there may be a consequent change in the Interim CAM Charges for the supply/ provision of the Common Area Maintenance Services. The Plot Owner undertakes to pay the revised charges for the Common Area Maintenance Services on account of any upward revisions due to the Change in Law.
- 4.8 Notwithstanding any clause of this Agreement, the liability of METL/ maintenance agency to provide Maintenance Services is conditional on METL/ maintenance agency getting Interim CAM Charges / utilities bills within the stipulated time from all the plot owners/users, in no event less than 75% of the actual plot owners/ users. In the event there is a default by more than 25% of the plot owners/users to pay the Interim CAM Charges / utility bills, including interest on delayed payment, METL/ maintenance agency shall not be obliged to provide any Common Area Maintenance Services and/or run or operate the utilities equipment's to the plot owners/ users till the unpaid amounts are received by METL.

5. Limit on responsibility of METL and Obligation of Plot Owner

- 5.1 METL makes it clear to the Plot Owner that the METL may get the maintenance services done through various outside agencies under separate maintenance agreements with them. METL's responsibility will be limited only to the extent of supervision of these agencies and to ensure that their operation is in conformity with the maintenance agreements executed by them and to change an agency if its performance is not upto the desired standards. METL accepts no legal liability whatsoever arising from acts of omission, commission, negligence, defaults of the aforesaid agencies in providing different components of the maintenance services. Similarly, responsibility of providing watch & ward services in the Industrial Colony shall be entrusted to some outsourced security agency and the security agency may not guarantee or ensure full proof safety and security of Industrial Colony or their belongings and properties. METL shall not have any financial/criminal liability for any loss to life and property by reason of any theft, burglary, fire or any other incident of crime/mishap occurring in the Industrial Colony or any part thereof due to any lapse/failure/shortcoming of the staff of the security agency.
- 5.2 The Plot Owner shall ensure that the industrial/manufacturing processes, electro-mechanical devices/ systems and any other works or things done internally within the Plot or externally, shall not pose any kind of fire, electrical, structural, pollution, physical injury, harm, loss of property or life and health hazard to any person/unit for which the Plot Owner shall be solely responsible for all legal and financial consequences arising therefrom. The Plot Owner agrees to keep METL indemnified and harmless against any loss or damage that may be caused to the other units/ occupants of other plots/unit(s) or any others person(s), their properties or common areas, services and facilities in this regard. The Plot Owner undertakes that it shall keep its units and belongings, duly insured in this regard.

6. STOPPAGE OF COMMON AREA MAINTENANCE SERVICES AND FORCE MAJEURE:

- 6.1 The Parties acknowledge and agree that the Common Area Maintenance Services require periodic/ scheduled maintenance. METL shall have a right to stop the provision / supply of the Common Area Maintenance Services to carry out such periodic / scheduled maintenance. The Parties further agree that METL shall have a right to stop the provision/ supply of Common Area Maintenance Services for carrying out any necessary repairs, and/or for the safety of the occupants of the Industrial Colony. The Parties also agree and acknowledge that METL may be required to make certain changes/ modifications to the Common Area Maintenance Services due to a Change in Law and it will have a right to stop the provision/ supply of the Common Area Maintenance Services to take requisite measures in compliance for such Change in Law.
- 6.2 The Parties acknowledge and agree that METL may not be able to provide Common Area Maintenance Services due to any conditions or reasons beyond the control of METL. METL shall not be obligated to continue to provide the Common Area Maintenance Services upon the occurrence and continuation of any Force Majeure Event. METL shall not be responsible if the provision of Common Area Maintenance Services is suspended or gets suspended during such period that a Force Majeure Event subsists and shall not be held liable for any damages; harm or damage caused to and/ or suffered by the Plot Owner during the existence of the Force Majeure Event.

7. CONFIDENTIALITY:

The terms and conditions of this Agreement are confidential, and the Parties shall not disclose the same to any third party without the prior written consent of the other Party except as required by Governmental Authorities and Courts.

8. TERM:

- 8.1 This Agreement shall be valid till METL is maintaining the services in the Industrial Colony, by itself or a maintenance agency in the Industrial Colony or till such time title of common area is conveyed and handed over to the association of allottees or the Competent Authority, as the case may be on obtaining completion certificate of Industrial Colony.
- 8.2 In the event the Plot Owner Transfers the Plot to a third party or person ("Transferee"), such Transferee, shall agree to abide by the terms and conditions of this Agreement (and execute an Agreement with METL for such provision of the Common Area Maintenance Services) and shall also forthwith furnish the amount towards the CAM IFRSD to METL.
- 8.3 The termination of this Agreement shall not affect the right of METL to recover any amount due and payable by the Plot Owner to METL for the Common Area Maintenance Services provided by METL till the date of such termination/ discontinuance of such services to the Plot Owner.

9. DISPUTE RESOLUTION MECHANISM:

- 9.1 This Agreement shall be governed in all respects by the laws of India. In case METL fails to provide the Common Area Maintenance Services detailed in Schedule 'A', except for reason of Force Majeure Event, then the Plot Owner shall lodge his

grievance with METL. In the event, the grievance is not adequately redressed, then the matter shall be first sought to be resolved through conciliation process, wherein the CEO / senior officials of equivalent authority of the Parties, shall meet to discuss and resolve the dispute amicably. In the event, the conciliation process does not result in a settlement of the issues within a period of thirty (30) days from the date such dispute was notified, then such dispute shall be finally resolved through arbitration.

- 9.2 The Parties shall, at first, seek to appoint a sole arbitrator by mutual agreement. In the event the Parties are unable to agree on the choice of a sole arbitrator within a period of Thirty (30) days from the date of notice for appointment of an arbitrator issued by a Party, either party may apply to the relevant High Court having jurisdiction for the appointment of a sole arbitrator.
- 9.3 The arbitration shall be conducted in the English language. The award of the arbitrator shall be a reasoned award given in writing and will be final and binding upon the Parties. The arbitration shall be conducted in accordance with the provisions of the Indian Arbitration and Conciliation Act, 1996 and the venue of arbitration shall be Delhi/ Gurugram, India. The arbitration shall be conducted in a time bound manner and in accordance with the 'fast track procedure' under the provisions of Section 29B of the Arbitration and Conciliation Act, 1996.
- 9.4 Unless otherwise determined during the arbitration process by the sole arbitrator, the Parties hereto shall: (i) share the cost of arbitration in equal proportion and (ii) bear its own legal expenses, including attorney fee.

10. ENFORCEMENT:

It is clearly understood and agreed between the Parties that all the provisions contained herein and the obligation arising there under, shall be equally applicable to and enforceable against any and all occupiers, tenants/ buyers/ employees of Plot Owner and/or subsequent Owner of the Plot, as the said obligations and rights go along with the said Plot for all intents and purposes.

11. ASSIGNMENT:

METL shall have the right to assign this Agreement or any part thereof to any other person/entity as it may deem fit, at its sole discretion.

12. MISCELLANEOUS:

12.1 Entire Understanding, Amendments and Waivers

This Agreement, along with all the schedules and annexures, contains the entire understanding between the Parties and supersedes all prior understandings and correspondence, including anything contained in the Agreement to sell, if any, between the Parties, relating to the subject matter of this Agreement. This Agreement is in consonance with and not in derogation to the Sale Deed. No amendment or waiver of any provision of this Agreement, nor consent to any departure by any of the Parties there from, shall in any event be effective unless the same is in writing and signed by both the Parties hereto and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. The failure of either party to enforce at any time or for any period of time any provision(s) hereof shall not be constructed to be waiver of any provision(s) or of the right thereafter, to enforce any or

each and every provision(s) of this Agreement.

12.2 Severability

If any provisions of this Agreement are declared to be invalid, unenforceable or illegal by any competent arbitral tribunal or court, such invalidity, un-enforceability or illegality shall not prejudice or affect the remaining provisions of this Agreement, which shall continue in full force and effect, and such provision shall be replaced with legally valid provisions that most nearly reflects the same purpose as that of the deleted provision.

12.3 Notices

All notices, correspondence or other communications (other than invoices, bills, demand notes, claim documents, etc.) under or in connection with this Agreement shall be in English. Any notice to be given hereunder shall be in writing and shall either be delivered: (i) by hand against a written receipt; or (ii) by registered post. “Fresh Water” means water sourced from a canal or extracted from the ground, with or without treatment.

“Development Control and Services Guidelines” means the guidelines issued by METL including the revisions and/or amendments thereof and the various circulars issued thereunder from time to time governing the development of the Industrial Colony, provision of common area maintenance services, Infrastructure Facilities, Infrastructure Services, various charges payable by the Plot Owner, and/or occupants in the Industrial Township, etc.

“HSPCB” means the Haryana State Pollution Control Board, Government of Haryana.

“IFRSD” shall have the meaning ascribed to it in Clause 6.1 of this Agreement.

“Industrial Colony” shall have the meaning ascribed to it in Recital A of this Agreement;

“Metering Devices” means the meters and any ancillary devices or components thereto, which are installed at the designated point of the Plot where: (a) the Water supply connections are provided by METL to the Plot Owner, and (b) meters and any ancillary devices or components thereto, for measuring the discharge of Waste Water by the Plot Owner;

“Mode of Payment” means either (a) electronic transfer of funds to the designated bank account of METL, or (b) by way of a demand draft drawn on any scheduled commercial bank in favour of ‘Model Economic Township Limited’;

“Sanctioned Limit” means the maximum requirement of Water as indicated by the Plot Owner in terms of Recital D above;

“Tax” or **“Taxes”** means any present or future taxes (including Goods and Services Tax, stamp duties, cess, surcharge, etc.), and any withholding obligations, duties and other charges of whatever nature levied by any Governmental Authority;

“**Treated Waste Water**” means the Waste Water which has been treated as per the standards mentioned at **Annexure 1** for supply to be used for non-potable purposes/processes;

“**Waste Water**” means and includes the effluent, internal drain water, used water and sewage water, which is discharged by the Plot Owner into the sewer lines of the Industrial Colony and meets the standards prescribed from time to time which at present are set out in **Annexure 3**;

“**Water**” means, collectively, Fresh Water and Treated Waste Water;

“**Water Infrastructure Facilities**” means the pipelines, sewer lines, storm water drain, pumps, motors, effluent treatment plant, sewage treatment plant, valves, ferrules, Metering Devices, water hydrants, fire hydrants and such other ancillary and incidental infrastructure laid down for providing Water Supply and Services;

“**Water Supply Charges**” means the charges, exclusive of any Taxes, payable by the Plot Owner to METL for availing supply of Water in accordance with the rates provided in the Development Control and Services Guidelines of METL from time to time;

“**Water Supply and Services**” means the supply of Fresh Water and Treated Waste Water and the collection and treatment of Waste Water at the sewage/effluent treatment facilities of METL and other incidental and ancillary services, which are provided to the Plot Owner in accordance with the terms of this Agreement; and

“**Waste Water Treatment Charges**” means the charges, exclusive of any Taxes, payable by the Plot Owner to METL for the treatment of the Waste Water, at rates provided in the Development Control and Services Guidelines of METL from time to time.

2. INTERPRETATION

2.1 For the purpose of this Agreement:

- (a) Words denoting the singular shall include the plural and vice-versa;
- (b) Words denoting a person shall include an any individual, proprietorship, company, corporation, partnership, joint venture, trust, unincorporated organization, Governmental Authority or agency or any other legal entity;

- (e) References to the word “include” or “including” shall be construed without limitation;
- (f) References to this Agreement or to any other agreement or deed or other instrument shall be construed as a reference to such agreement, deed, or other instrument as the same may from time to time be amended, varied, supplemented or novated;
- (g) A reference to a section, clause, paragraph, schedule, annexure, appendix is, unless indicated to the contrary, a reference to a section, clause, paragraph schedule, annexure, or appendix to this Agreement;

- (h) The recitals, appendices and schedules to this Agreement are a part of this Agreement and shall be enforced as if they were expressly set out in the body of this Agreement;
- (i) Any agreement, consent, approval, authorization, proposal, notice, communication, information or report required under or pursuant to this Agreement from or by any Party shall be valid and effectual only if it is in writing under the hand of the duly authorized representative of such Party in this behalf and not otherwise; and
- (j) A reference to METL shall include any person and/or third party designated by METL as the estate manager for the Industrial Colony or a service provider appointed by METL for providing the Water Supply and Services for the Industrial Colony, as may be relevant to the context.

3. WATER SUPPLY AND SERVICES

- 3.1 Subject to the terms and conditions of this Agreement, METL agrees to provide the Plot Owner Water Supply and Services and the Plot Owner hereby agrees to avail from METL Water Supply and Services.
- 3.2 The Water will be supplied by METL at the designated point of the Plot at ground level. Save and except the duly authorized persons of METL, no person shall dig, open or in any way interfere with any ferrule, main pipeline, valve or hydrant connected with the Water works.
- 3.3 The Plot Owner hereby agrees that till such time the surface water supply is made available, METL will supply and the Plot Owner has agreed to receive its supply requirement of water through ground water extraction, permission for which METL has received from the Competent Authority. METL will extract and supply un-treated ground water on as is basis, till such time surface water is made available. The Plot Owner may, at its own cost and expense carry out any further treatment of water as per its own specifications / requirements.
- 3.4 METL will endeavor to provide the agreed quantum of surface water as per standards more specifically mentioned in Potable water standards prescribed in IS 10500: 2012, ground water on as is basis and Treated Waste Water as per standards mentioned in Annexure 1 at a designated point of the Plot.
- 3.5 METL will supply Water on limited hours basis, at the discretion of METL, which the Plot Owner hereby agrees and acknowledges. The Plot Owner agrees that the Plot Owner shall make suitable separate provisions for storage of Fresh Water and Treated Waste Water and requisite pumping of Water inside the Plot at its own cost and expense.
- 3.6 METL's obligation to provide Water Supply and Services under this Agreement is only intended for the specific Plot for which it is provided.
- 3.7 Since the Plot Owner is not on zero liquid discharge and will discharge waste water into METL's sewage/effluent network, the Plot Owner undertakes to pay the cost of treatment of waste water, under this agreement or as determined by METL.
- 3.8 Notwithstanding any other provision of this Agreement, METL shall not be under any obligation to provide or arrange for any water during the construction stages of the industrial unit of the Plot Owner, and/or for any construction activities by the Plot Owner and METL shall allow the same to be arranged by the Plot Owner or its construction

agent for itself.

4. APPLICATION FOR WATER SUPPLY AND SERVICES

- 4.1 The Plot Owner agrees that for availing the Water Supply and Services, the Plot Owner shall make an application to METL for a Water connection in the form provided at **Annexure 2** of this Agreement (“**Application**”). Upon receipt of the Application, METL will examine the Application submitted by the Plot Owner and its demand for Water Supply and Services within the Sanctioned Limit and in accordance with the infrastructure system of METL.

METL will present a cost estimate to the Plot Owner on the basis of immediate requirement of Water within the Sanctioned Limit and for connection to the Plot at the delivery point.

- 4.2 The Plot Owner shall pay the prescribed charges for connection of supply of Water which will be inclusive of connection charges, cost of plumbing materials, Metering Device at designated battery limits of the Plot and Interest Free Refundable Security Deposit (*defined herein after*) (collectively, “**Connection Charges**”) for availing the Water Supply and Services from METL.

After acceptance of the duly completed Application and receipt of Connection Charges from the Plot Owner, METL shall approve the water supply connection and commence Water Supply and Services to the Plot Owner in terms of this Agreement.

Any additional / supplemental costs arising due to any unforeseen circumstances during the process of connection for provision of Water Supply and Services shall be intimated to the Plot Owner and shall be payable by the Plot Owner before commissioning of the connections.

5. INTERNAL PLUMBING, MONITORING, OPERATION AND METERING OF WATER SUPPLY AND SERVICES

- 5.1 The Plot Owner shall at its own cost and expense make suitable arrangements for usage of the Fresh Water and Treated Waste Water, like dual plumbing for flushing, provisions for horticulture, production process etc., including precautionary arrangements like colour coding of pipes, taps, fixtures, warning sign boards, etc., for safe utilization of Treated Waste Water and disposal of Waste Water within the premises, at all places.

- 5.2 The Plot Owner agrees and acknowledges that the monitoring, operation and maintenance of Water Supply and Services shall be as follows:

- (a) All Water Infrastructure Facilities and other fittings of the connection up to the Metering Device shall always remain under direct control of METL and access to these shall always be available to METL and its authorized officials, at any time for upkeep and maintenance, or for reading of the Metering Devices.

The Plot shall be connected to the Industrial Colony’s Water Infrastructure Facilities through a control manhole located within the Plot and the Plot Owner shall utilize such connection for discharge of Waste Water. This control manhole shall be further connected to the main manhole of Industrial Colony’s sewer network which connections shall be enabled only by the authorized personnel of METL.

- (b) The Plot Owner will promptly notify METL of any faults or any indication of malfunction of the supply line at the connection point, including Metering Devices, for the Plot. Upon receipt of such notification METL will, through its authorized personnel/ maintenance team, rectify the fault at the cost and expense of the Plot Owner in case such fault has been caused due to any act and omission on the part of the Plot Owner, persons working at the Plot and visitors of the Plot Owner.

All work of providing and laying of pipelines, drains and connections from the Metering Device and/ or for discharge of Waste Water from the Plot at the control manhole shall be carried out by the Plot Owner at its own cost and expense.

- (c) The Plot Owner shall be responsible for the safety and security of the connection, and fittings including the Metering Device installed on the Plot.

If the connection or any part of the Metering Device is found to be defective/damaged, METL shall notify the Plot Owner of such defect/damage. The Plot Owner shall be liable to get any such defect/damage rectified through METL at the cost and expense of the Plot Owner. Without prejudice to the foregoing, METL shall also have a right but not an obligation to get the defect/damage rectified at the cost and expense of the Plot Owner. Further, in the event that the Plot Owner fails to pay any cost, charges and expenses incurred by METL for rectification of any such defect/damage, METL shall have the right to appropriate any such outstanding demand from the IFRSD furnished by the Plot Owner and the Plot Owner shall be bound to replenish the shortfall in IFRSD forthwith. Additionally, the Plot Owner shall be liable to pay the Water Supply Charges and Waste Water Treatment Charges for the Water utilized during such period when the Metering Device remain defective on the basis of estimates prepared by METL.

In the event of any serious defects involving heavy wastage of Water and/or endangering the safety of the Industrial Colony, the connections may be disconnected by METL immediately, without any further notice.

- 5.3 The installation of Metering Device, verification and calibration of Metering Device and connections, disconnection of Water Supply and Services, closing of a connection for Water Supply and Services, re-connection, unauthorized interventions, modification or replacement of connection, change of ownership of connection shall be in accordance with the provisions of the Guidelines.

6. PAYMENT OF CHARGES FOR WATER SUPPLY AND SERVICES

6.1 Interest Free Refundable Security Deposit

- (a) The Plot Owner agrees that for the purpose of securing its payment obligations to METL for the Water Supply and Services provided under this Agreement, the Plot Owner shall pay an interest free security deposit to METL equal to the aggregate of all the Water Supply Charges and Waste Water Treatment Charges payable for 3 (three) months' supply of the Sanctioned Limit along with applicable Taxes (hereinafter referred to as "IFRSD"), to secure the payment obligations of the Plot Owner to METL.
- (b) In case the actual Water drawn for two consecutive months exceeds the Sanctioned Limits, then the Sanctioned Limit shall be deemed to be enhanced to

such increased Water consumption and the provisions of this Agreement with respect to payment of Water Supply Charges, Waste Water Treatment Charges and IFRSD shall apply on the basis of such enhanced Sanctioned Limit.

- (c) The waste water treatment charges are applicable on quantity of waste water calculated at 70% of the total water consumption i.e., fresh plus treated water supply. However, if the Plot Owner chooses to install Sewage meter at its own cost as per make/specifications approved by METL, then waste water treatment charges be applicable as per metered quantity. Such meter shall be subject to periodic inspection by METL team and joint configuration, if required, carried out by the joint team. In case, such meter becomes faulty, the Plot Owner shall promptly intimate it to METL and get the faulty meter replaced by meter of approved make/specifications within 24 hours.
- (d) In the event of any increase in the Sanctioned Limit, the Plot Owner shall within a period of 30 (thirty) days after being notified by METL pay such further amounts to METL so as to ensure that the IFRSD is equivalent to the aggregate of the Water Supply Charges and the Waste Water Treatment Charges along with applicable Taxes payable for 3 (three) months based on the enhanced Sanctioned Limit.
- (e) In the event of suspension or cancellation of the Water Supply and Services due to delay in payment/non-payment of invoice by the Plot Owner, METL shall have the right to appropriate and set-off any such amount from out of the IFRSD or any part thereof to settle any dues towards any outstanding invoices raised by METL and/or its authorized agencies in relation to any services availed by the Plot Owner.

6.2 In the event that METL exercises its right to set-off from the IFRSD due to non-payment / delay in payment of any invoices by the Plot Owner, the Plot Owner, shall upon first demand by METL, top-up any shortfall in the IFRSD within a period of 7 (seven) days from the date of notice by METL.

6.3 **Charges for Water Supply and Services**

- a) The Plot Owner hereby agrees to pay the Water Supply Charges and Waste Water Treatment Charges along with all applicable Taxes to METL at the rates as applicable, from time to time. METL may, at its sole discretion, either provide a single invoice for the Water Supply and Services provided or separate invoices for Water Supply Charges and Waste Water Treatment Charges, in accordance with the Development Control and Services Guidelines and such decision of METL shall be final and binding on the Plot Owner. The Plot Owner is required to make full payment of the total invoice raised for the Water Supply and Service Charges in accordance with the Development Control and Services Guidelines. The invoice(s) for Water Supply Charges and Waste Water Treatment Charges will be rounded off closest to a Rupee. The pricing will be exclusive of any Taxes applicable on the basic pricing. Any Taxes, which result in any additional cost on METL, shall be duly reflected in the pricing in accordance with the Applicable Law.
- b) In case the actual drawl of water (fresh water or treated waste water) is less than 50% (fifty percent) of the Sanctioned Limit, Plot Owner agrees to pay water charges calculated for drawl of minimum of fifty percent of Sanctioned Limit.
- c) In case the average Water drawn is over and above the Sanctioned Limit in a calendar month/bill cycle, then the Plot Owner agrees to pay enhanced charges at the rate, as applicable in the Development Control and Services Guidelines, from time to time, for draw of Water over and above the Sanctioned Limit.

- d) Any delay in payment of any invoice amount or part thereof for Water Supply Charges and Waste Water Treatment Charges beyond the 10th day of the month will attract interest at the rate of 12% per annum (twelve per cent) compounded on quarterly rests up to 30 (thirty) days from the due date of such invoice and in case of a delay beyond 30 (thirty) days from the due date of payment, an additional interest of 6% per annum (six per cent), which is in addition to the aforementioned interest of 12% per annum (twelve per cent) shall be payable with effect from the due date of payment for the Water Supply and Service Charges. In the event of any delay beyond the period of 60 (sixty) days from the due date of payment of such invoice, METL shall have the right to disconnect the supply and discontinue the Water Supply and Services. Provided that upon payment of all outstanding dues by the Plot Owner, together with interest (including any additional interest) thereon and the reconnection charges, METL will resume such services to the Plot Owner within 48 (forty eight) hours of receipt of all outstanding dues.
- e) It is further clarified that METL's right to charge interest on the outstanding amounts payable by the Plot Owner under this Agreement, shall not, in any manner be curtailed on account of the availability of the IFRSD provided by the Plot Owner and METL shall have a right to set off any amount payable as interest and additional interest, if applicable, on such amounts from the IFRSD.

- 6.4 All payments to be made by the Plot Owner in pursuance of this Agreement including without limitation the Connection Charges, IFRSD, Water Supply Charges, Waste Water Treatment Charges, shall be payable to METL in accordance with the Mode of Payment and the Plot Owner shall intimate METL that the payment has been made by email along with a fund transfer confirmation report or deliver the demand draft at the designated office on or before the last date of payment, as the case may be.

7. OBLIGATIONS OF THE PLOT OWNER

- 7.1 The Plot Owner irrevocably agrees, declares, confirms and undertakes that the Plot Owner shall abide by the terms and conditions of this Agreement and the Development Control and Services Guidelines and the Plot Owner shall neither directly nor indirectly through any other person do, permit, allow or cause to be done any of the following:
- (a) dig bore-wells to create source of water within the Plot area, or any other location within area of the Industrial Colony without obtaining the prior permission from METL;
 - (b) use or offer or permit to be used a connection in such a way as to cause waste or unauthorized use of Water;
 - (c) re-open any connection that has been stopped or reconnect the connection pipe with the supply main when the connection pipe has been served from the said main except with the permission of the METL;
 - (d) use or permit any contrivance having the effect of joining the METL system of pipes with any other source of water not belonging to METL or any cistern or other receptacle used for storage or rain water;
 - (e) alter the index to any meter or prevent any meter from duly registering the quantity of Water supplied;
 - (f) install any booster pumps directly on the water supply line, carrying Water from

Water Infrastructure Facilities; and/or

- (g) allow the flow of Water or use Water before it has been registered and a Metering Device has been installed for the purpose of measuring the same;
- (h) use Fresh Water supplied by METL for an industry/ establishment within the Industrial Colony, for any of the following purposes:
 - (i) any trade, manufacture or business other than specified in this Agreement;
 - (ii) any fountains, swimming, or for any ornamental purpose;
 - (iii) gardening or for purpose of horticulture / irrigation;
 - (iv) watering roads or paths; and/or
 - (v) for flushing purposes
 - (vi) for purpose of vehicle washing;
- (i) place or deposit any human or animal excreta, garbage, solid waste, industrial waste, hazardous, bio-medical waste or any other objectionable waste in insanitary manner within its premises or any such action that might contaminate the run-off into the sewer system or the Industrial Colony;
- (j) store acids, synthesis or other harmful substances in any locations/ rooms connected directly to the Water Infrastructure Facilities or any natural outlet;
- (k) discharge polluted water/ industrial effluent into any natural water course or channels outside or within the Industrial Colony with or without treatment;
- (l) not to discharge into the sewer connection:
 - (i) any form of fats, wax, grease, tars or oils whether emulsified or not, in excess of 20 mg/L or containing substances which may solidify or become viscous at temperature between zero degree centigrade and minus ten degree centigrade;
 - (ii) any petroleum products, fuel, calcium, naphtha cleaning solvents or other inflammable and/or explosive in liquid or gaseous form;
 - (iii) any solid viscous substance in quantities or of such size of specific gravity as would be capable of causing obstruction to the flow on sewer or other interference with the proper operation of the sewage; and/or
 - (iv) wastes such as, but not limited to, ashes, cinders sand stone, dust, mud, straw, shavings; metal, glass, rags, feathers far plastics, wood fullers, earth link slurries and residues, pulp, and paper mill water, underground garbage, paper dishes, cups, food containers, flesh, bones, animal products, residues, etc., either whole or ground by garbage grinders;
- (m) not to connect any water supply pipes directly to any water closet, urinal, and steam boiler or to any hot water system or any apparatus used for heating or any closed vessel, other than through a cistern/ tank of an appropriate size; and
- (n) not to extend or make any arrangement to facilitate Water Supply and Services to any third party or to another Plot Owner and not use the Water as a product for sale.

- (o) The Plot Owner shall provide for dual system of 2 (two) pipelines, one pipeline shall be for the supply of Fresh Water and the second pipeline shall be for the supply of the Treated Waste Water.
- 7.2 The Plot Owner can discharge the Waste Water generated within the Plot into the external sewer connected at the battery limits of the Plot only after undertaking the treatment of the Waste Water, as contemplated and subject to the conditions that: (i) Plot Owner shall segregate the sewage, i.e., waste water generated by human consumption/ activities and effluent, i.e., chemical waste generated during the various processes of production within the Plot; (ii) Plot Owner will pre-treat the waste water before discharging the same into the external sewer, in order to bring down the characteristics of the effluent to the inlet quality parameters as prescribed by METL in **Annexure 3** and (iii) Plot Owner will pay the applicable Waste Water Treatment Charges to METL as per the invoice raised by METL from time to time, (iv) Plot Owner will, in proportion to the Water supplied, take the Treated Waste Water supplied by the METL for non-potable / process use.
- 7.3 The Plot Owner acknowledges that in order to monitor compliance by the Plot Owner with the requirements for treatment of Waste Water discharged from the Plot into the sewer connection for the Industrial Colony, METL may collect samples on random basis from the Plot and all its discharge locations in order to confirm the compliance by the Plot Owner. In case the samples result in non-compliance of discharge parameters then METL shall have the right to close the connection of discharge of Waste Water and / or stop the supply of Water. Any non-compliance shall be subjected to further levy of penalty and/ or action as defined in this Agreement and/or the Development Control and Services Guidelines and/or the Applicable Law. METL shall have a right to report such non-compliance to HSPCB and relevant Governmental Authority. Further, the Plot Owner shall be bound to indemnify METL, its personnel and officers against any loss or damage due to any failure on part of the Plot Owner to comply with the requirements for treatment of Waste Water discharged from the Plot.
- 7.4 The Plot Owner acknowledges that the provisions of this Agreement are in addition to and not in derogation of the Development Control and Services Guidelines and the Plot Owner undertakes to ensure compliance with each of the terms and conditions of this Agreement and the Development Control and Services Guidelines, which shall be deemed to have been incorporated herein by this reference and shall form part of the binding obligations of the Plot Owner under this Agreement.
- 7.5 In the event that the Plot Owner violates of any of the covenant and/or conditions as mentioned in this Agreement and/or the Development Control and Services Guidelines, METL shall have the right to immediately disconnect the Water Supply and Services to such Plot, and apart from any amount payable by the Plot Owner for the Water Supply and Services and the costs and expenses for repairs/ remediation of any losses or damages caused due to such violation, the Plot Owner shall fully indemnify METL, its personnel and officers against any loss or damage suffered by them due to such non-compliance/ breach.
- 8. STOPPAGE OF WATER SUPPLY AND SERVICES AND FORCE MAJEURE**
- 8.1 The Parties acknowledge and agree that the Water Supply and Services require periodic/ scheduled maintenance. METL shall have a right to stop the Water Supply and Services for carrying out such periodic/scheduled maintenance with 7 (seven) days prior notice to the Plot Owner. The Parties further agree that METL shall have a right to stop the Water Supply and Services for carrying our any emergency repairs for the continuous provision of Water Supply and Services, and/or for the safety of the

occupants of the Industrial Colony. The Parties also agree and acknowledge that METL may be required to make certain changes/ modifications to the Water Infrastructure Facilities due to compliance requirements pursuant to a Change in Law and that in such an event METL shall have the right to stop the provision/ supply of the Water Supply and Services to take requisite measures in compliance with such Change in Law.

- 8.2 METL shall have a right to stop/ discontinue the Water Supply and Services without any prior notice where any invoice(s), Government Charges or any other dues payable by the Plot Owner to METL remain outstanding beyond a period of 60 (sixty) days from the due date of such payment till the entire amount due and payable to METL (along with Taxes and any interest payable on the amount due) is paid in full by the Plot Owner to METL and METL will resume water supply to the Plot Owner within 48 (forty eight) hours after receiving payment of entire due amount, including interest and additional interest.
- 8.3 METL shall have the right (but not an obligation) to terminate this Agreement by giving an advance notice of 7 (seven) days to the Plot Owner in the event that the Plot Owner is in breach of any of its obligations in terms of this Agreement. The termination of this Agreement shall not affect the right of METL to recover any amount due and payable by the Plot Owner to METL for Water Supply and Services provided by METL to the Plot Owner.
- 8.4 The Parties acknowledge and agree that METL shall not have any obligation to provide the Water Supply and Services upon occurrence of a Force Majeure Event. Upon occurrence of any of the Force Majeure Event, METL will inform the Plot Owner without any delay as soon as possible and after receiving the information from METL, the Plot Owner shall make alternate arrangement for Water during the subsistence of Force Majeure Event(s). METL shall not be responsible if the provision of Water Supply and Services is suspended or gets suspended during such period that any Force Majeure Event subsists and shall not be held liable for any damages; harm or damage caused to and/ or suffered by the Plot Owner (or any person or party claiming through the Plot Owner) during the existence of the Force Majeure Event or on account of any interruptions of Water Supply and Services.
- 8.5 In the event of any break in the Water Supply and Services attributable to METL and which is capable of being remedied by METL (and is not on account of any third party, orders, directions or instructions of any Governmental Authority or due to a Force Majeure Event) METL shall within a period of 7 (seven) days undertake to remedy the defect/default or any component thereof in the Water Supply and Services. During such break period the Plot Owner may source water from alternative agencies till such time METL resumes the Water Supply and Services.

9. COMPLIANCE WITH APPLICABLE LAWS/ APPLICABLE PERMITS/ DEVELOPMENT CONTROL AND SERVICE GUIDELINES FOR INDUSTRIAL COLONY OCCUPANTS:

- 9.1 The Plot Owner, and/or its transferee (s), and the persons claiming through or under them shall be responsible for complying at its/their cost and risk with the Applicable Laws relating to the development, construction, completion, implementation, operation and maintenance of its business operations, including local and municipal laws. The Plot Owner shall be solely and entirely responsible for compliance with the terms and conditions of any Applicable Permits issued by HSPCB and/or any Governmental Authority.

- 9.2 The Parties agree that METL, as the developer of the Industrial Colony has formulated Development Control and Services Guidelines which are applicable to the occupants of the Industrial Colony. The Plot Owner agrees and undertakes that it shall comply with the Development Control and Services Guidelines and other regulations and bye-laws that may be formulated by METL from time to time, as the licensed developer of the Industrial Colony and which are applicable to all occupants/industrial units located within the Industrial Colony.
- 9.3 Except as expressly provided in this Agreement, Plot Owner, and/or its transferee (s) shall carry out and perform its rights, covenants and obligations under this Agreement at its own cost and risk. The Plot Owner shall be fully responsible for and shall bear the financial risks relating to the Plot Owner's business activities carried out on the Plot and for all its rights and obligations under or pursuant to this Agreement.

10. EXCLUSIVE RIGHTS FOR PROVISION OF WATER INFRASTRUCTURE SERVICES

- 10.1 The Plot Owner acknowledges and recognises that METL has made and will be making huge and substantial investments for development of infrastructure and for the provision of Common Facilities and Infrastructure Services in the Industrial Colony. Therefore, the Plot Owner agrees that, in consideration of the investments that METL has made and will be making in the Industrial Colony, METL shall, subject to Applicable Law, have the sole and exclusive rights to provide the water Infrastructure Services.
- 10.2 The Plot Owner further acknowledges and recognises that METL as the developer and promoter of the Industrial Colony is best suited to provide the services and recognising the need to have cohesive and uniform standards of service across the Industrial Colony and has accordingly agreed that METL shall be the sole provider of Infrastructure Services in the Industrial Colony unless authorized by METL.
- 10.3 The Plot Owner shall not do any act, deed or thing which in any way affect the sole and exclusive rights of METL in providing the Infrastructure Services.

11. DISPUTE RESOLUTION MECHANISM

- 11.1 This Agreement shall be governed in all respects by the laws of India. All disputes arising in connection with this Agreement shall be first sought to be resolved through conciliation process wherein the CEOs or the persons designated by them on behalf of METL and Plot Owner shall meet to discuss and to amicably resolve the dispute and proceedings of each and every meeting so held shall be reduced into writing duly signed by representatives of both Parties. In the event the conciliation process does not result in a settlement of the issues within a period of 30 (thirty) days from the date such dispute was notified or as may be mutually extended by both Parties, then such dispute shall be resolved through arbitration. The arbitration shall be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996 and the venue of arbitration shall be Gurugram/New Delhi, India.
- 11.2 The Parties shall, at first, seek to appoint a sole arbitrator by mutual agreement. In the event the Parties are unable to agree on the choice of a sole arbitrator within a period of 15 (fifteen) days from the date of notice for appointment of an arbitrator issued by a Party, either Party may apply to the relevant High Court having jurisdiction for the appointment of a sole arbitrator.

- 11.3 The arbitration shall be conducted in the English language. The award of the arbitrator shall be final and binding upon the Parties. The arbitration award shall be a reasoned award given in writing and will be binding on the Parties. The arbitration proceedings shall be conducted in accordance with the 'fast track procedure' under the provisions Section 29B of the Arbitration and Conciliation Act, 1996.
- 11.4 The Parties hereto shall share the cost of arbitration in equal proportion. Each Party shall bear its own legal expenses, including attorney fee.

12. CONFIDENTIALITY

The terms and conditions of this Agreement are confidential, and the Parties shall not disclose the same to any third party without the prior written consent of the other Party except as required by Governmental Authorities and Courts.

13. MISCELLANEOUS

13.1 Validity, Amendments and Waivers

This Agreement shall remain in force and binding upon the Parties unless terminated by METL and/or by act of Parties duly recorded in writing. No amendment or waiver of any provision of this Agreement, nor consent to any departure by any of the Parties there from, shall in any event be effective unless the same is in writing and signed by both the Parties hereto and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

13.2 Severability

If any provisions of this Agreement are declared to be invalid, unenforceable or illegal by any competent arbitral tribunal or court, such invalidity, un-enforceability or illegality shall not prejudice or affect the remaining provisions of this Agreement, which shall continue in full force and effect, and such provision shall be replaced with a legally valid provision that most nearly reflects the same purpose as that of the deleted provision.

13.3 Notices

All notices, certificates, correspondence or other communications under or in connection with this Agreement shall be in English language. Any notice to be given hereunder shall be in writing and shall either be delivered personally or sent by registered post, telex, facsimile transmission, or recognized international courier.
